IV. Mental Health Services Act (MHSA) – Update (Adrienne Yancey)

- MHSA Three Year Plan
 - ✓ The release of the MHSA Three Year Program and Expenditure Plan for Fiscal Year 2017-18 has been postponed.
 - ✓ A 30-day public comment period is projected from August 7 to September 6, 2017.
 - ✓ A Public Hearing is projected Behavioral Health Advisory Board (BHAB) meeting on September 7, 2017.

- MHSA Innovation plan update
 - ✓ On May 25, 2017, three Innovation plans were approved by the Mental Health Services Oversight and Accountability Commission (MHSOAC). Implementation is expected in Fiscal Year 2019-20:
 - INN 20 Roaming Outpatient Access Mobile (ROAM)
 - INN 21 Recuperative Services Treatment (ReST)
 - INN 22 Medication Clinic (Dr. Jeffrey Rowe and Yael Koenig).
 - ✓ The following proposals will be presented as soon as the MHSOAC hearing schedule allows:
 - INN 16 Urban Beats (expansion)
 - INN 17 Crest Mobile Hoarding (expansion)
 - INN 19-Telemental (CYF and AOA).

 - ✓ Harbage Consulting will assist with these Community Engagement activities.

V. “Hot Topic” Discussion (Delrena Swaggerty)

Public Input/Discussion Summary

- CYF Families Facing Immigration Challenges Part 3.
- Dialogue between sectors
 - ✓ Dr. Steven Davis recommended provision of mental health services upon arrival. Etleva Bejko added that this practice could be a good mental health prevention strategy and it will also support resettlement agencies.
 - ✓ Refugees and immigrants are two different populations and have specific needs.
 - ✓ Refugees tend to focus on other priorities like housing and employment upon arrival. It becomes very difficult to engage them in mental health services after 6 to 8 months of arrival.
 - ✓ The overabundance of resource information can overwhelm refugees. In addition, refugees’ elevated level of anxiety/distress can limit their intake of information. A “common language” is needed among all resettlement agencies, and County programs to be more effective.
 - ✓ Providing a safe and secure environment to refugees can foster effective dialogue regarding mental health.
 - ✓ San Diego School Districts receive Refugee Impact Grants and also have records of the amount of refugee children enrolled in their schools.
 - ✓ Some of the recommendations provided include:
 - To increase collaboration among San Diego County Office of Education (SDCOE), service providers, and resettlement agencies to offer mental health educational courses to refugees having mental health awareness and stigma reduction as goals
 - Hiring refugee Family Youth Partners that could conduct town hall meetings and family support programs in their own language and utilizing music and dance as engagement tools
 - Refugee training for clinicians
 - Lists of contracted or community programs that can offer mental health education including a resource list of school-based refugee/immigrant service providers (separate lists for each group)
 - Existing resources the County already has can be used to take the next step treating refugees with mental health issues
 - BHETA training regarding immigrants and refugees
 - Ad Hoc committee to develop “common language” among providers.

- ✓ Dr. Jeffrey Rowe reminded the meeting attendees that the Council serves as an advisory to the BHS Director and therefore Council recommendations go on record as recommended practices on highlighting system gaps to explore.

VI. Director’s Report (Alfredo Aguirre)

- The Senate is in the process of advancing the Better Care Reconciliation Act of 2017. This bill would impact Medi-Cal.
- The State’s \$125 billion annual budget was passed by the Legislature and signed by the Governor.
- As a result of the May Revise State Budget for Fiscal Year 2017-18 mitigation, the State will now take growth funds from a 1991 sales tax/realignment fund and apply it towards the Community Care Initiative for Adult’s Long Term Care placement and San Diego Psychiatric Hospital. Further mitigation resulted in a cap placed on care provider’s COLA for a period of three to five years that would help preserve the County’s funding.
- The State reversion policy on MHS Innovation funding was revised and Counties will have three more years from July 1, 2017 to utilize unspent Innovation funding that was previously subject to reversion. A summit to review the MHSOAC Innovation project approval criteria is scheduled for August 2017.
- Counties are waiting for additional guidance from the Department of Health Care Services (DHCS) regarding the Implementation of Presumptive Transfer for Foster Children Placed Out of County.
