APARTMENTS DON'T DISCRIMINATE

BUT SOMETIMES LANDLORDS DO

If the landlord gives you the runaround or says:

"We don't take kids."

"The house you asked about on the phone has been rented."

"We only take people who speak English clearly."

"We don't take teenagers."

"The ad was wrong – the rent is really \$50 more."

"I can't assign you a handicap parking space."

THAT COULD BE HOUSING DISCRIMINATION.

The only way to stop housing discrimination is to report it, so we can investigate it.

Communities Putting Prevention to Work

On Friday, March 19, 2010 the U.S. Department of Health and Human Services announced \$372 million being awarded to communities across the country to support public health efforts to reduce obesity, increase physical activity and improve nutrition.

The County of San Diego Health & Human Services Agency (HHSa) applied for this competitive federal grant and was awarded \$16 million over two years to work on the initiatives outlined below. HHSa will partner with numerous organizations to address these important public health issues. These actions support the County's Health Strategy Agenda which will help create a *healthy, safe and thriving* San Diego County.

Physical Activity

- Promote use of public transit and safe active transit, such as biking and walking, to work and school;
- Promote accessible places for physical activity;
- Increase opportunities for physical activity in before/after school programs;
- Develop new capabilities to assess how transportation and land use planning impacts and protects human health;
- Work with land use and transportation planners to increase opportunities for residents to be physically active and eat nutritious foods.

Nutrition

- Increase consumption of healthy and locally grown food in schools, foster group homes, senior meal sites and other locations;
- Increase the number of farmers markets that are participating with nutrition assistance programs;
- Develop and expand community and school gardens;
- Support expansion of lactation policies at worksites;
- Expand participation in school and summer feeding programs for kids.

Implementing CPPW in San Diego

HHSa, as the local health jurisdiction, was the only entity eligible to apply for CPPW funding to implement these interventions countywide. The CDC also requires the majority of grant interventions to be in place within 90 days of the grant award. In San Diego County, the goals of the CPPW grant will be achieved through partnerships between HHSa and contracts with five other agencies with a countywide scope. This plan was approved by the County of San Diego Board of Supervisors on April 13, 2010.

UCSD's Division of Child Development and Community Health

- UCSD's role in this project is uniquely aligned with its current community outreach, education and media strategies to improve nutrition and increase physical activity in San Diego County residents.
- UCSD will implement the Lactation and Media Campaign and will oversee the Fresh Fund Initiative, Food Policy and Garden, Farm to Institution and Distribution Hub scopes of work.

San Diego County Office of Education (SDCOE)

- SDCOE will provide regional support and act as a liaison to the County's 42 school districts.
- Additionally, SDCOE will assist HHSa in implementing policies (including childhood obesity policies), environmental change and nutrition and physical activity programs in all of the County's school districts.

San Diego Association of Governments (SANDAG)

- SANDAG is the forum for regional decision-making in San Diego County, made up of the 18 cities and the County of San Diego.
- SANDAG will provide leadership and direction for all built environment interventions and will act as a liaison to the County.

SDSU Graduate School of Public Health

- SDSU faculty and resources are nationally and internationally known for their expertise in evaluating nutrition and physical activity interventions.
- SDSU will provide evaluation services for the CPPW initiative.

Community Health Improvement Partners (CHIP)

- CHIP coordinates activities of the Childhood Obesity Initiative, a countywide public-private partnership utilizing resources from throughout the community to decrease rates of childhood obesity.
- CHIP will be responsible for implementation of the Residential Leadership Academy, which focuses on mobilizing community-based organizations and local residents to improve the quality of life of neighborhoods from an environmental prevention and public safety perspective.

Introduction

Housing costs in the San Diego region continue to rise at an unprecedented rate. Unfortunately, escalating rents and home prices make it very difficult for lower-income households to find decent and safe housing that they can afford.

In response to this need, a variety of public and nonprofit agencies in San Diego County offer services to assist individuals and families in obtaining and maintaining adequate housing. These agencies administer programs that include rental assistance, housing rehabilitation, shared housing, public housing, home purchasing assistance, and emergency shelters.

The Housing Resources Directory was prepared by the County of San Diego's Department of Housing and Community Development to provide residents and the community agencies that serve them with information on housing resources available to low and moderate income households.

Among the pages of the Housing Resources Directory you will find:

- Countywide lists of affordable housing complexes and homeless shelters.
- Information on the housing programs offered by the County of San Diego Department of Housing and Community Development.
- Summaries of the housing services provided by the 18 cities within the county.
- Contact information for organizations that provide support services related to housing, such as credit counseling or mediation services.

If you know of any agencies or programs that should be included in this Directory, please let us know by contacting (858) 694-4801, or by e-mailing us at: hcdgen1@sdcounty.ca.gov.

Fair Housing

“Every American has a right to fair housing. The right to live where you choose, to raise a family, to own a home—in dignity and without fear of discrimination—is a fundamental right guaranteed to all. It cannot be denied to anyone because of race, color, national origin, religion, sex, familial status, or handicap.”

Henry Cisneros,
Former HUD Secretary
Fair Housing - It's Your Right, 1997

The County of San Diego, under the direction of the U.S. Department of Housing and Urban Development (HUD), enforces the Fair Housing Act. The Fair Housing Program strives to reduce housing discrimination in the housing rental, sales, lending, and insurance markets on the basis of race, sex, color, religion, national origin, familial status (presence of children), or handicap.

Eligibility Requirements

Geography

The Affordable Housing Inventory (page 4) and the Homeless Shelter Inventory (page 24) include information for all of San Diego County. In addition to income requirements, eligibility for housing programs depends upon where you live.

If you live in the City of San Diego, you may be eligible to participate in the San Diego Housing Commission's programs. Refer to Page 51 of the Housing Services by Cities section.

If you live in the unincorporated areas of the County of San Diego, or in the cities of Chula Vista, Coronado, Del Mar, El Cajon, Escondido, Imperial Beach, La Mesa, Lemon Grove, Poway, San Marcos, Santee, Solana Beach or Vista, you may be eligible to participate in the County's housing programs. Refer to the County of San Diego Housing Programs section beginning on page 45.

If you live elsewhere in the County, refer to the Housing Services by Cities section, beginning on pages 51 and 57 of this directory, for information and who to contact in your city.

Income

The information included in the Housing Resources Directory targets a broad range of income levels. The Homeless Shelter Inventory (page 24) naturally focuses on the homeless; however, many shelters have additional requirements. You should check the "Clientele"

and "Special Needs" columns of the table to verify that you are eligible.

The apartment complexes included in the Affordable Housing Inventory target a range of eligible incomes. Contact the apartment complexes directly for information on rents and income requirements. Other requirements are listed in the "Clientele" column of the table.

The income eligibility requirements for programs described in the County of San Diego Housing Programs section vary. Each program's summary outlines its income eligibility requirements. Most of the programs included in this directory are available to households whose annual income is below 80% of San Diego's Area Median Income (see chart below).

The "Units" column indicates the number of the housing units in the apartment complex that have affordable rents. You will need to contact the housing complexes for specific information on rents, income requirements, or vacancies. To update listed information, contact (858) 694-8750.

This list provides information on housing for the homeless in San Diego County. There are five types of housing listed – Emergency Shelters, Permanent Supportive Housing, Transitional Shelters, Vouchers, and Winter Shelters. Each type of housing is organized by region, then city. The “Beds” column shows the number of beds at the shelter, NOT the number of empty beds. Additionally, refer to the “Clientele” and “Special Needs” columns to determine whether you are eligible for the service.

County of San Diego Housing Programs

The County of San Diego Department of Housing and Community Development oversees a number of housing programs for residents of the unincorporated area of the county, and for residents of Chula Vista, Coronado, Del Mar, El Cajon, Escondido, Imperial Beach, La Mesa, Lemon Grove, Poway, San Marcos, Santee, Solana Beach, and Vista.

These housing programs include:

Section 8 Rental Assistance Programs

The Section 8 Rental Assistance Programs assist low-income households with rent subsidies so that their housing costs are lowered. The two Section 8 rental assistance programs are:

- Housing Choice Voucher Program
- Moderate Rehabilitation Program.

Housing Choice Voucher Program

Participants of the Housing Choice Voucher (HCV) Program are responsible for finding a rental unit that complies with program guidelines. All assisted units must be inspected to ensure that they are in decent, safe, and sanitary condition at the time of move in, and annually thereafter.

Under the HCV Program, a monthly rental assistance payment is issued directly to the landlord. The assistance is based on the difference between the Gross Rent (rent plus utilities) or applicable payment standard (whichever is less) and 30 % of monthly adjusted family income. The family may choose to rent a

unit for more or less than the payment standard; however, initially, the family's share of the rent may not exceed 40% of their adjusted monthly income. Applicants are placed on a waiting list and are contacted for an eligibility evaluation when funding becomes available.

Examples of Section 8 Assistance Payments Housing Choice Voucher Program 2 Bedroom Unit Payment Standard = \$1244

Example 1: Gross Rent is Less Than Payment Standard	Example 2: Gross Rent is More Than Payment Standard
a. Rent \$807	a. Rent \$1,300
b. Utility allowance (if any) \$34	b. Utility allowance (if any) \$34
c. Gross rent (a plus b) \$841	c. Gross rent (a plus b) \$1,334
d. Lower of payment standard or gross rent \$841	d. Lower of payment standard or gross rent \$1,158
e. Housing assistance payment to owner* \$641	e. Housing assistance payment to owner* \$958
f. Tenant rent to owner* (a minus e) \$166	f. Tenant rent to owner* (a minus e) \$342

Note: Vouchers can also be used for space rent of owner-occupied mobilehomes.

*Assistance is based on 30% of participant's monthly-adjusted income of \$200. Actual payment to owner and tenant rent will vary depending upon participant's monthly adjusted income. Participant may not initially pay more than 40% of monthly adjusted income for rent and utilities.

Moderate Rehabilitation Program

Rental assistance through the Moderate Rehabilitation Program differs from the HCV Program in that participants only receive assistance if they live in specified housing units. The County notifies individuals on the Moderate

Rehabilitation waiting list of vacancies in the Moderate Rehabilitation units. If an individual on the waiting list fills the vacancy, his/her name remains on the Section 8 waiting list so he/she can receive Section 8 rental assistance in the future. When individuals place their names on the Section 8 waiting list, they can request to be placed on the Moderate Rehabilitation list as well. There are approximately 95 of these units, primarily located in East County. Local eligibility preferences are not applied to participants of this program.

Eligibility (All Section 8 Rental Assistance Programs)

Priorities for Section 8 Programs are: homeless, families with children, elderly, disabled, working families and veterans or surviving spouses of veterans.

Three percent interest is calculated annually on the unpaid principal. The total amount borrowed must be repaid when the property changes hands, the recipient moves from the property, or in 30 years, whichever event occurs first.

The loan amount is determined by cost of repairs and is subject to approval by a loan committee.

Grant

Grants are available to eligible mobilehome owner occupants and do not require monthly payments. Qualified mobilehome owners may be eligible for a maximum of \$12,000.

Eligibility

This program assists single-family homeowners or mobilehome owners. You must live in the residence you would like to repair.

Geography - You must live in the Urban County, which consists of the unincorporated area and the cities of Coronado, Del Mar, Imperial Beach, Lemon Grove, Poway and Solana Beach.

Nonprofit and for-profit housing developers compete for funding by submitting a proposal. Notice of Funding Availability (NOFA) eligible activities are the acquisition, rehabilitation, and/or new construction of affordable housing units.

Eligibility

The selection procedure will include evaluation of proposal financing demonstrated in the HCD General NOFA Application and the development pro formas submitted by the developer. A determination will also be made concerning the consistency of the proposal with the priorities outlined in the County of San Diego Consortium Consolidated Plan. Funded proposals must comply with the regulations of the program(s) through which they receive funding—CDBG and/or HOME.

Geography – The property/project must be in the Urban County, which consists of the unincorporated area and the cities of Coronado, Del Mar, Imperial Beach, Lemon Grove, Poway and Solana Beach. Affordable housing activities located outside the unincorporated areas may be considered only for those proposals which clearly demonstrate a benefit to "special needs" residents.
