

Provider Coverage (15 mile radius) - In County Providers

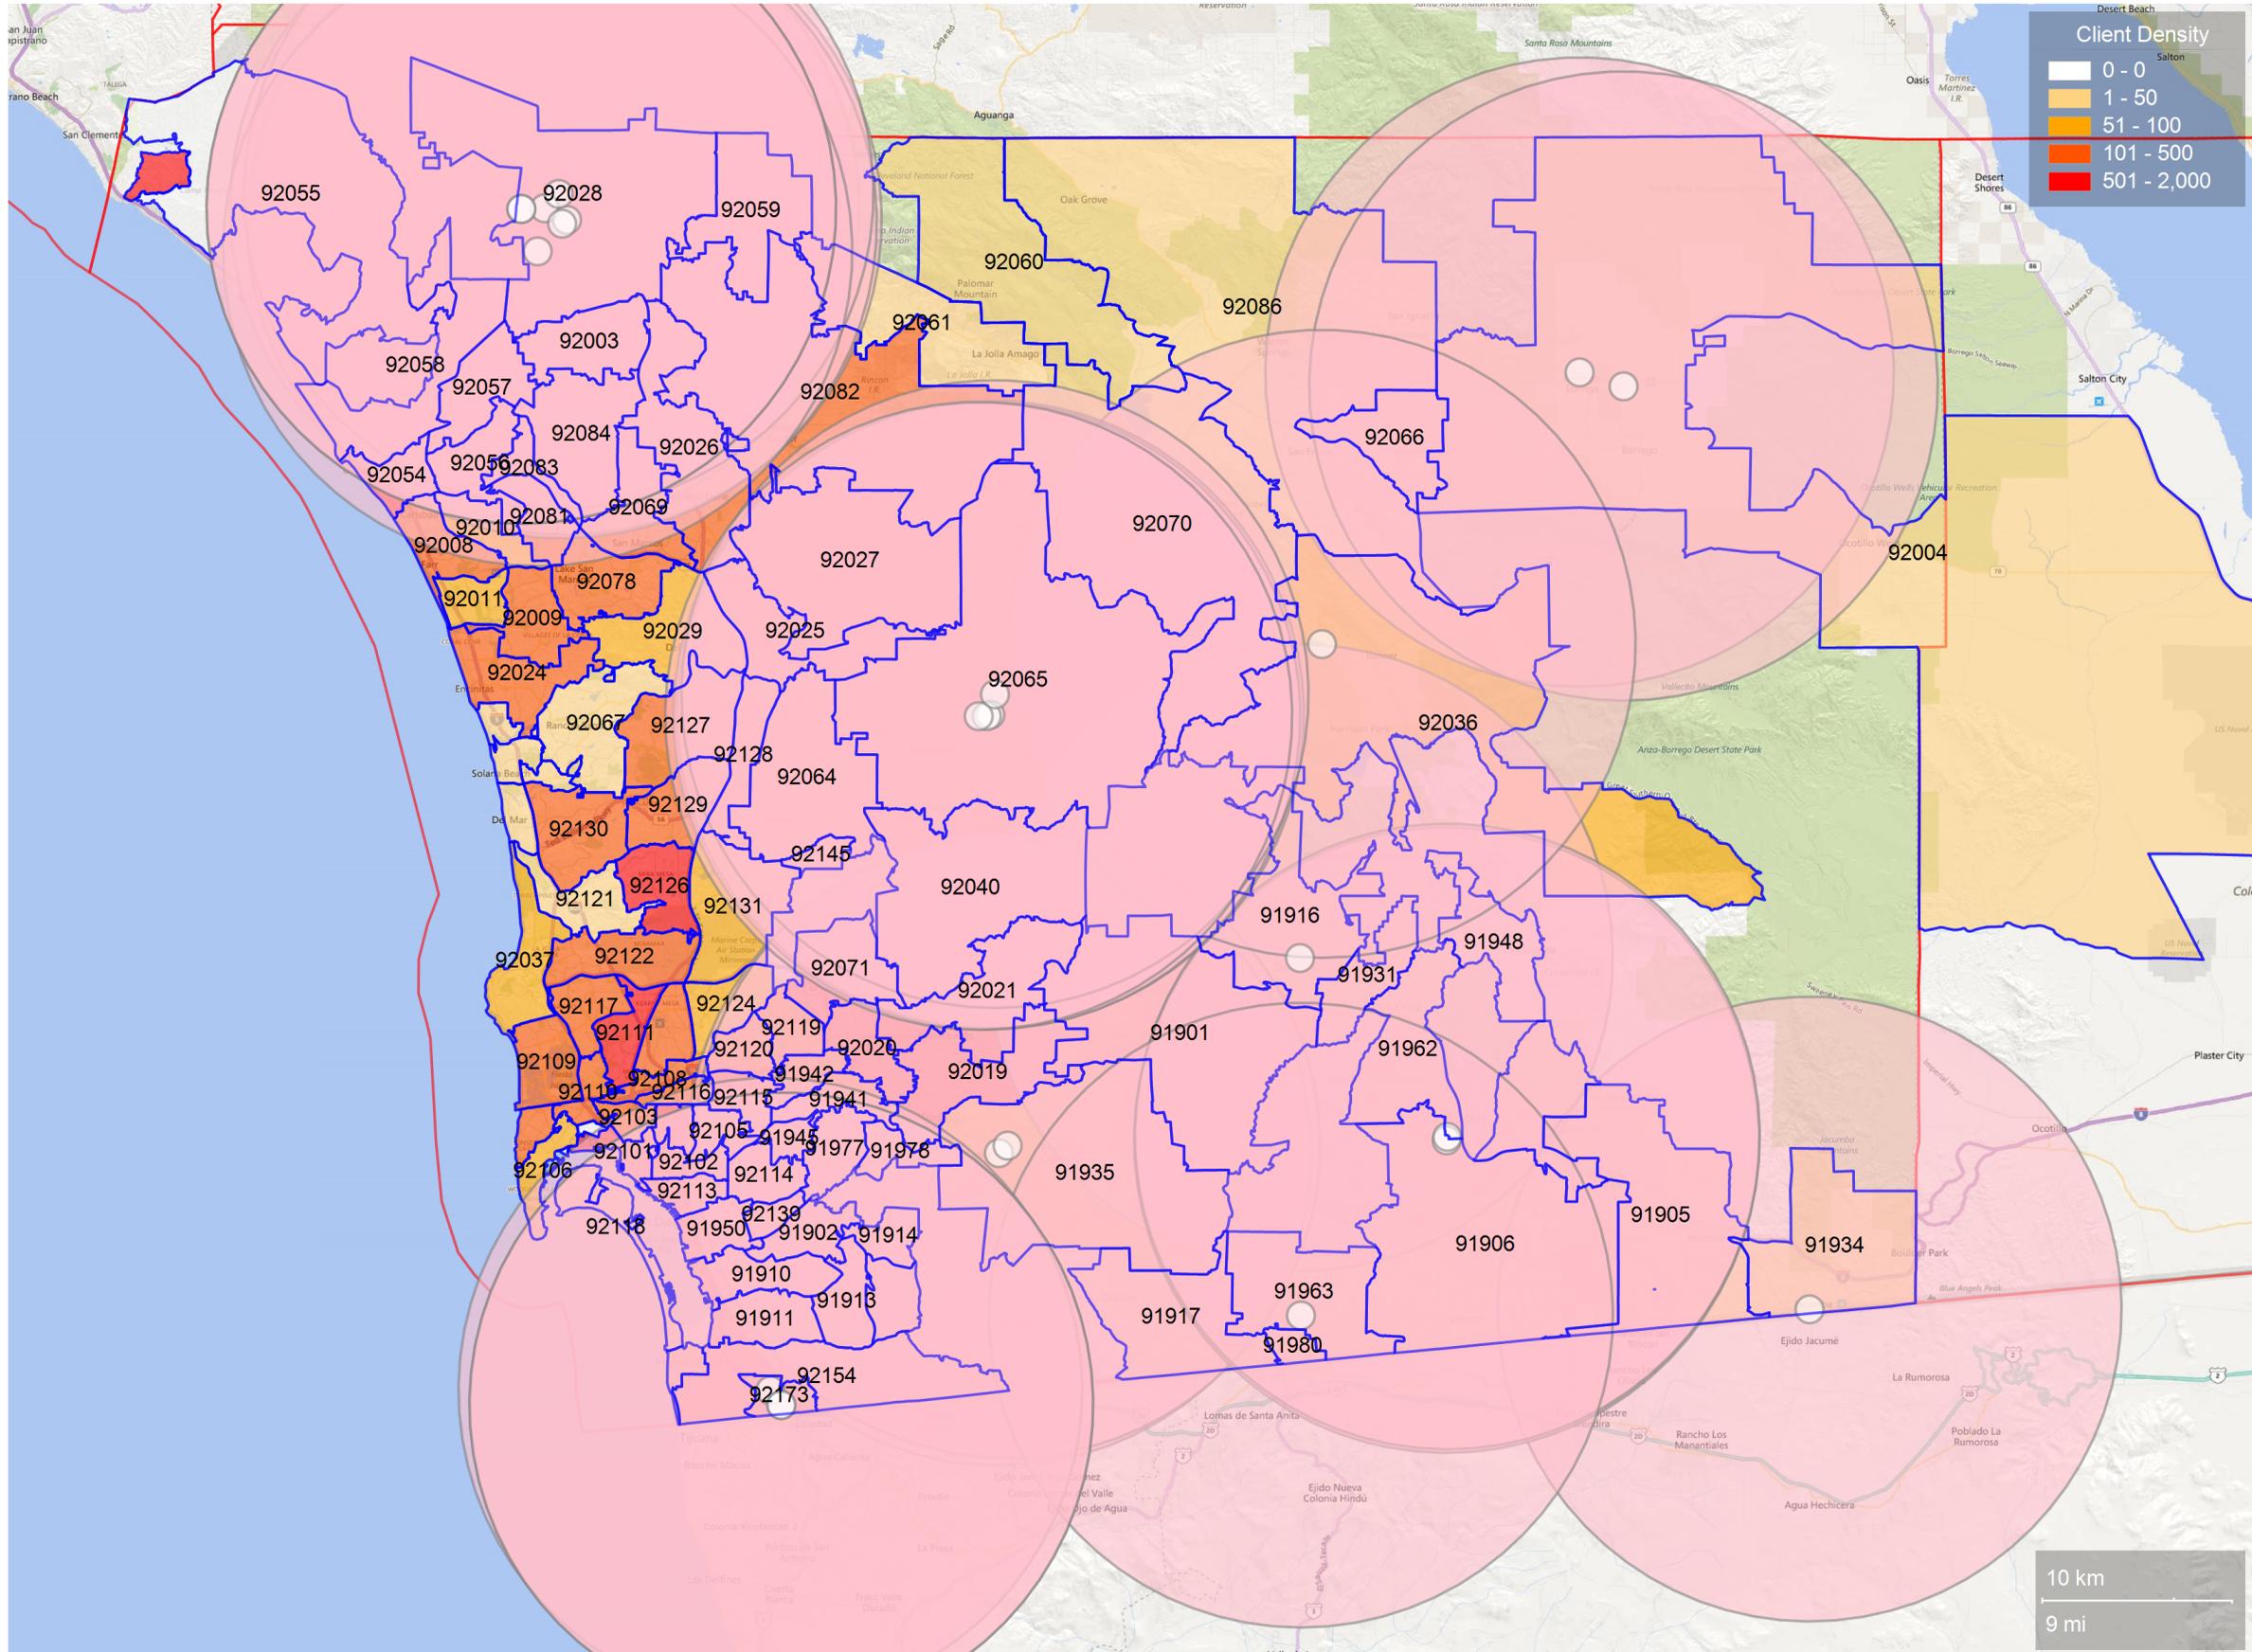

Note: This map shows **outpatient mental health provider locations** by a white dot with a yellow circle. The circle represents DHCS' 15 mile radius distance standard from the provider site location. Areas (zip-codes) in which there is no yellow shading may require "alternate access", "Community Based Settings" and "Contracted network providers in neighboring service areas" consideration.

Provider Coverage (15 mile radius) - Out of County Providers

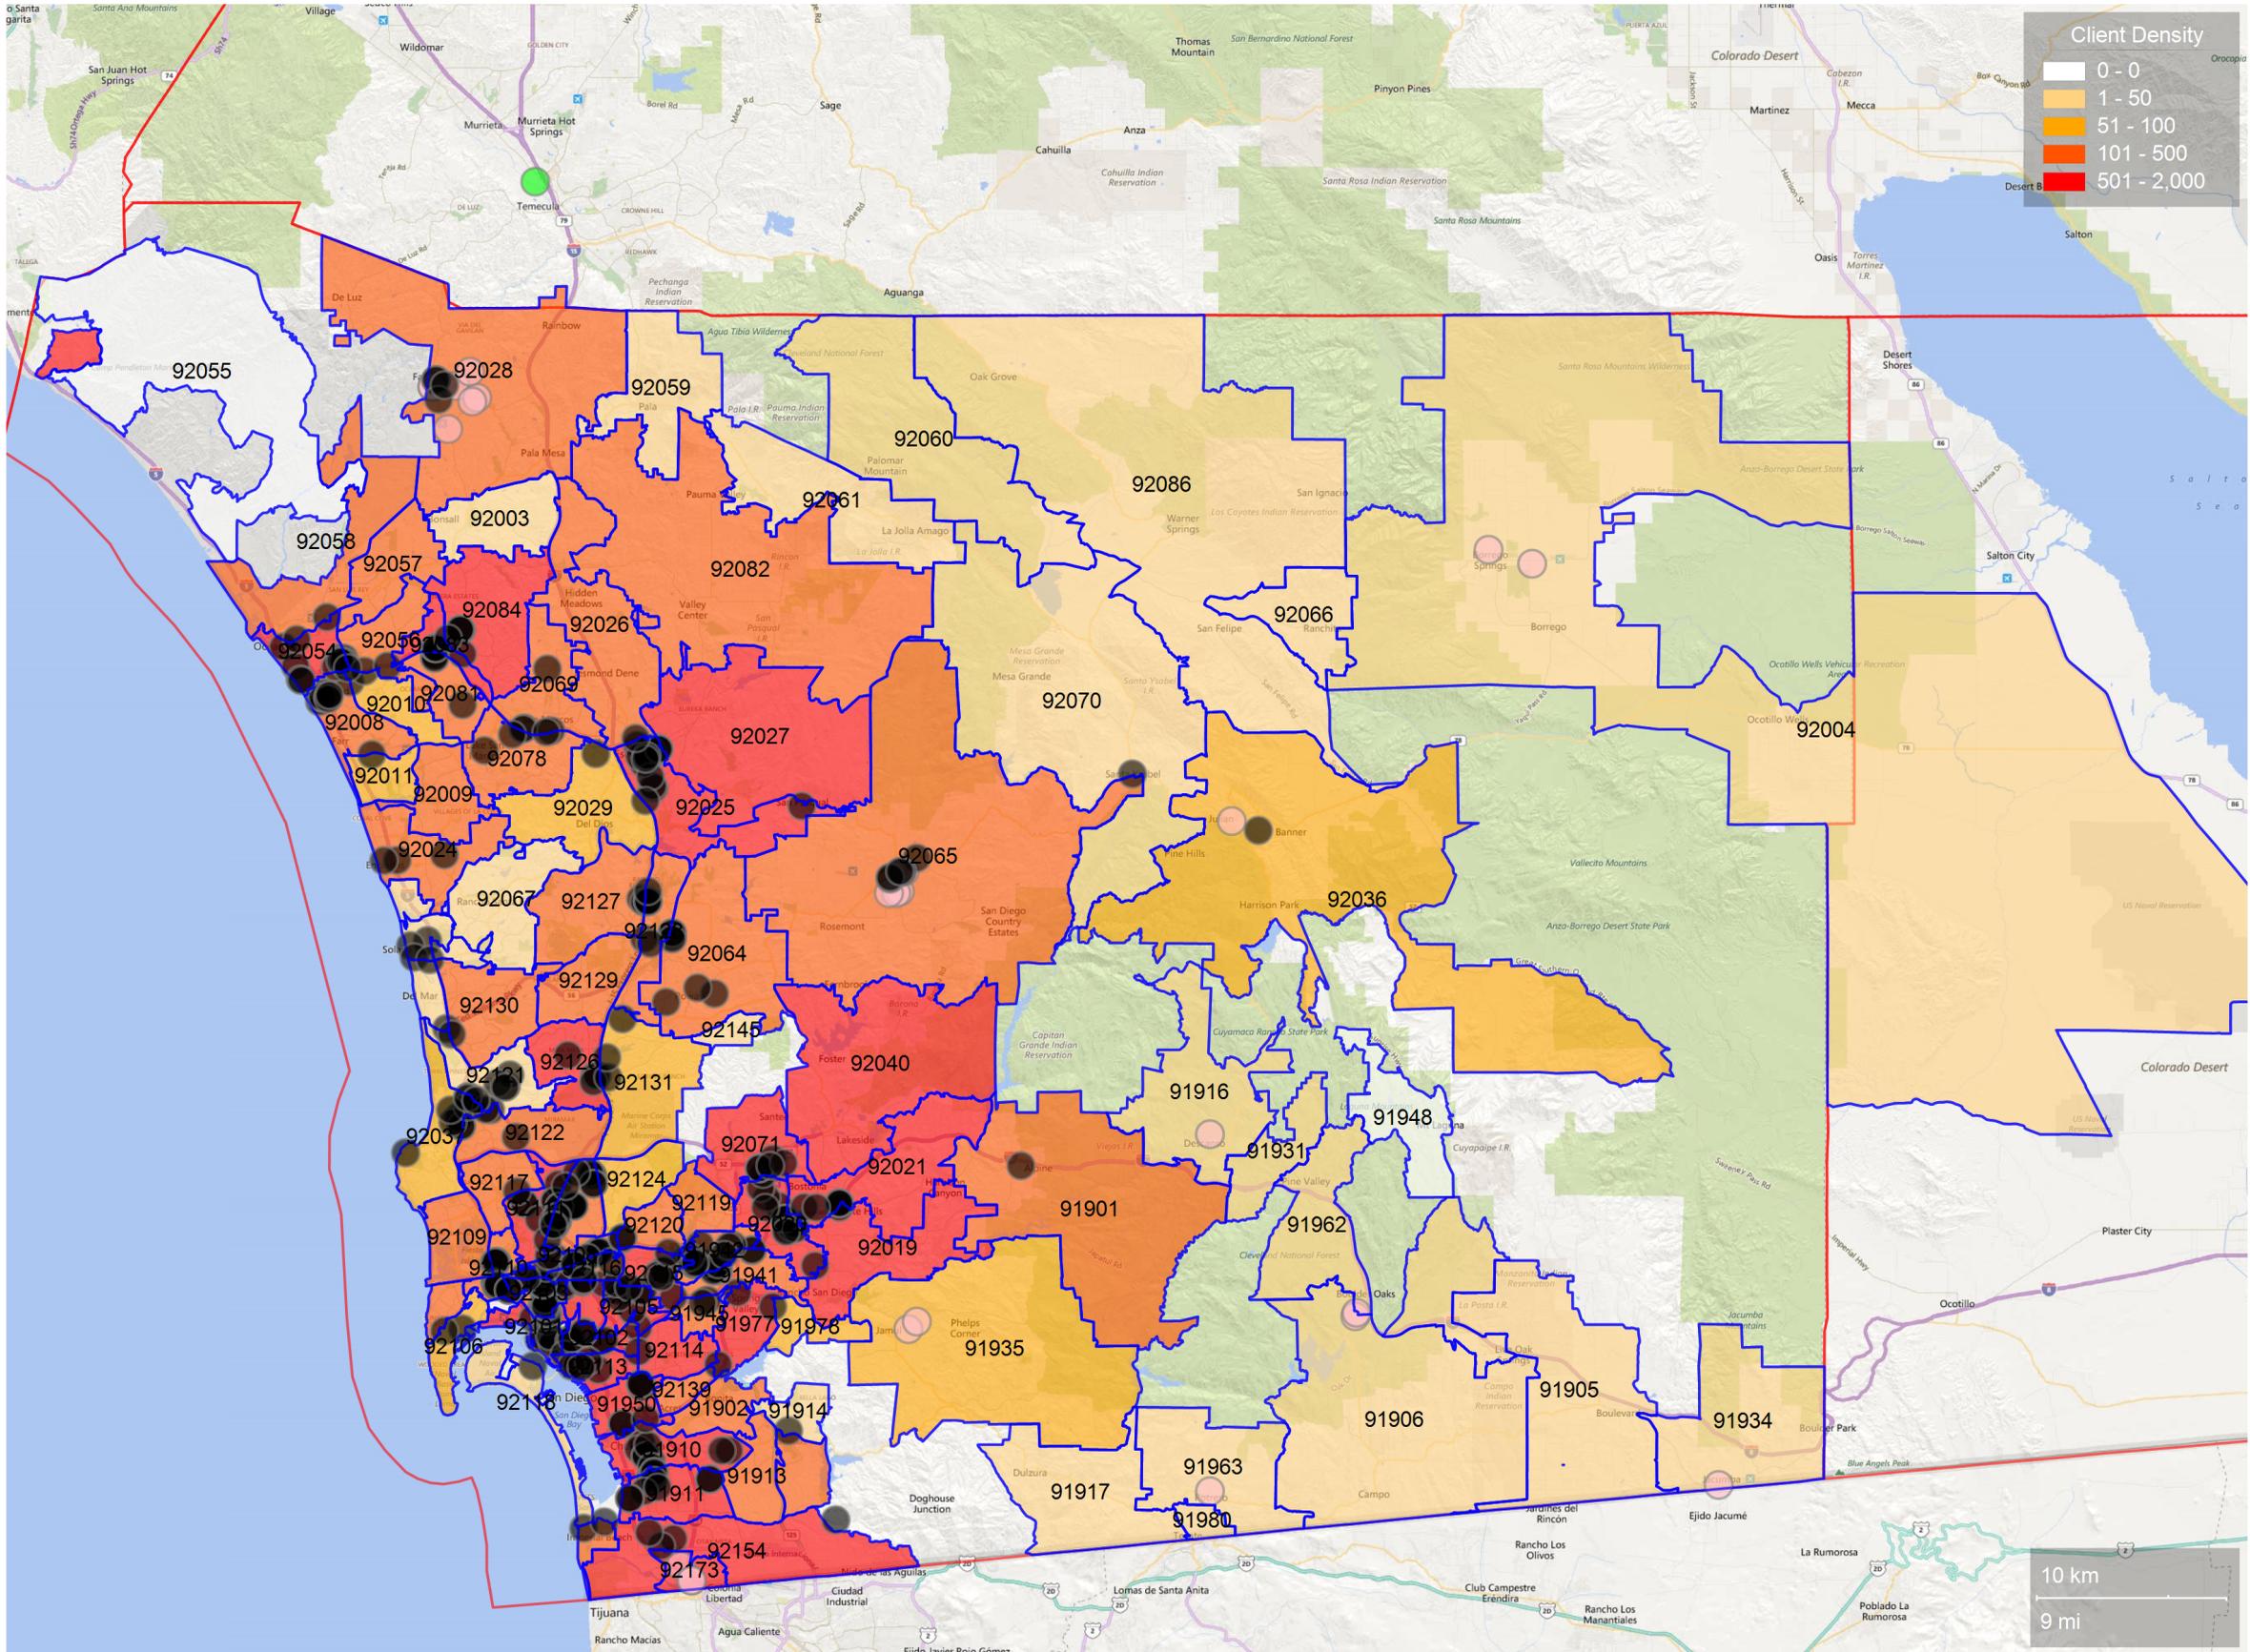

Note: This map shows out of county outpatient mental health provider locations by a white dot with a green circle. The circle represents DHCS' 15 mile radius distance standard from the provider site location. Only out of county providers whose 15 mile radius spans into San Diego County are shown. In the case above the neighboring county is Riverside.

Service Area, Providers and Beneficiaries - Satellite offices - Community Based Services

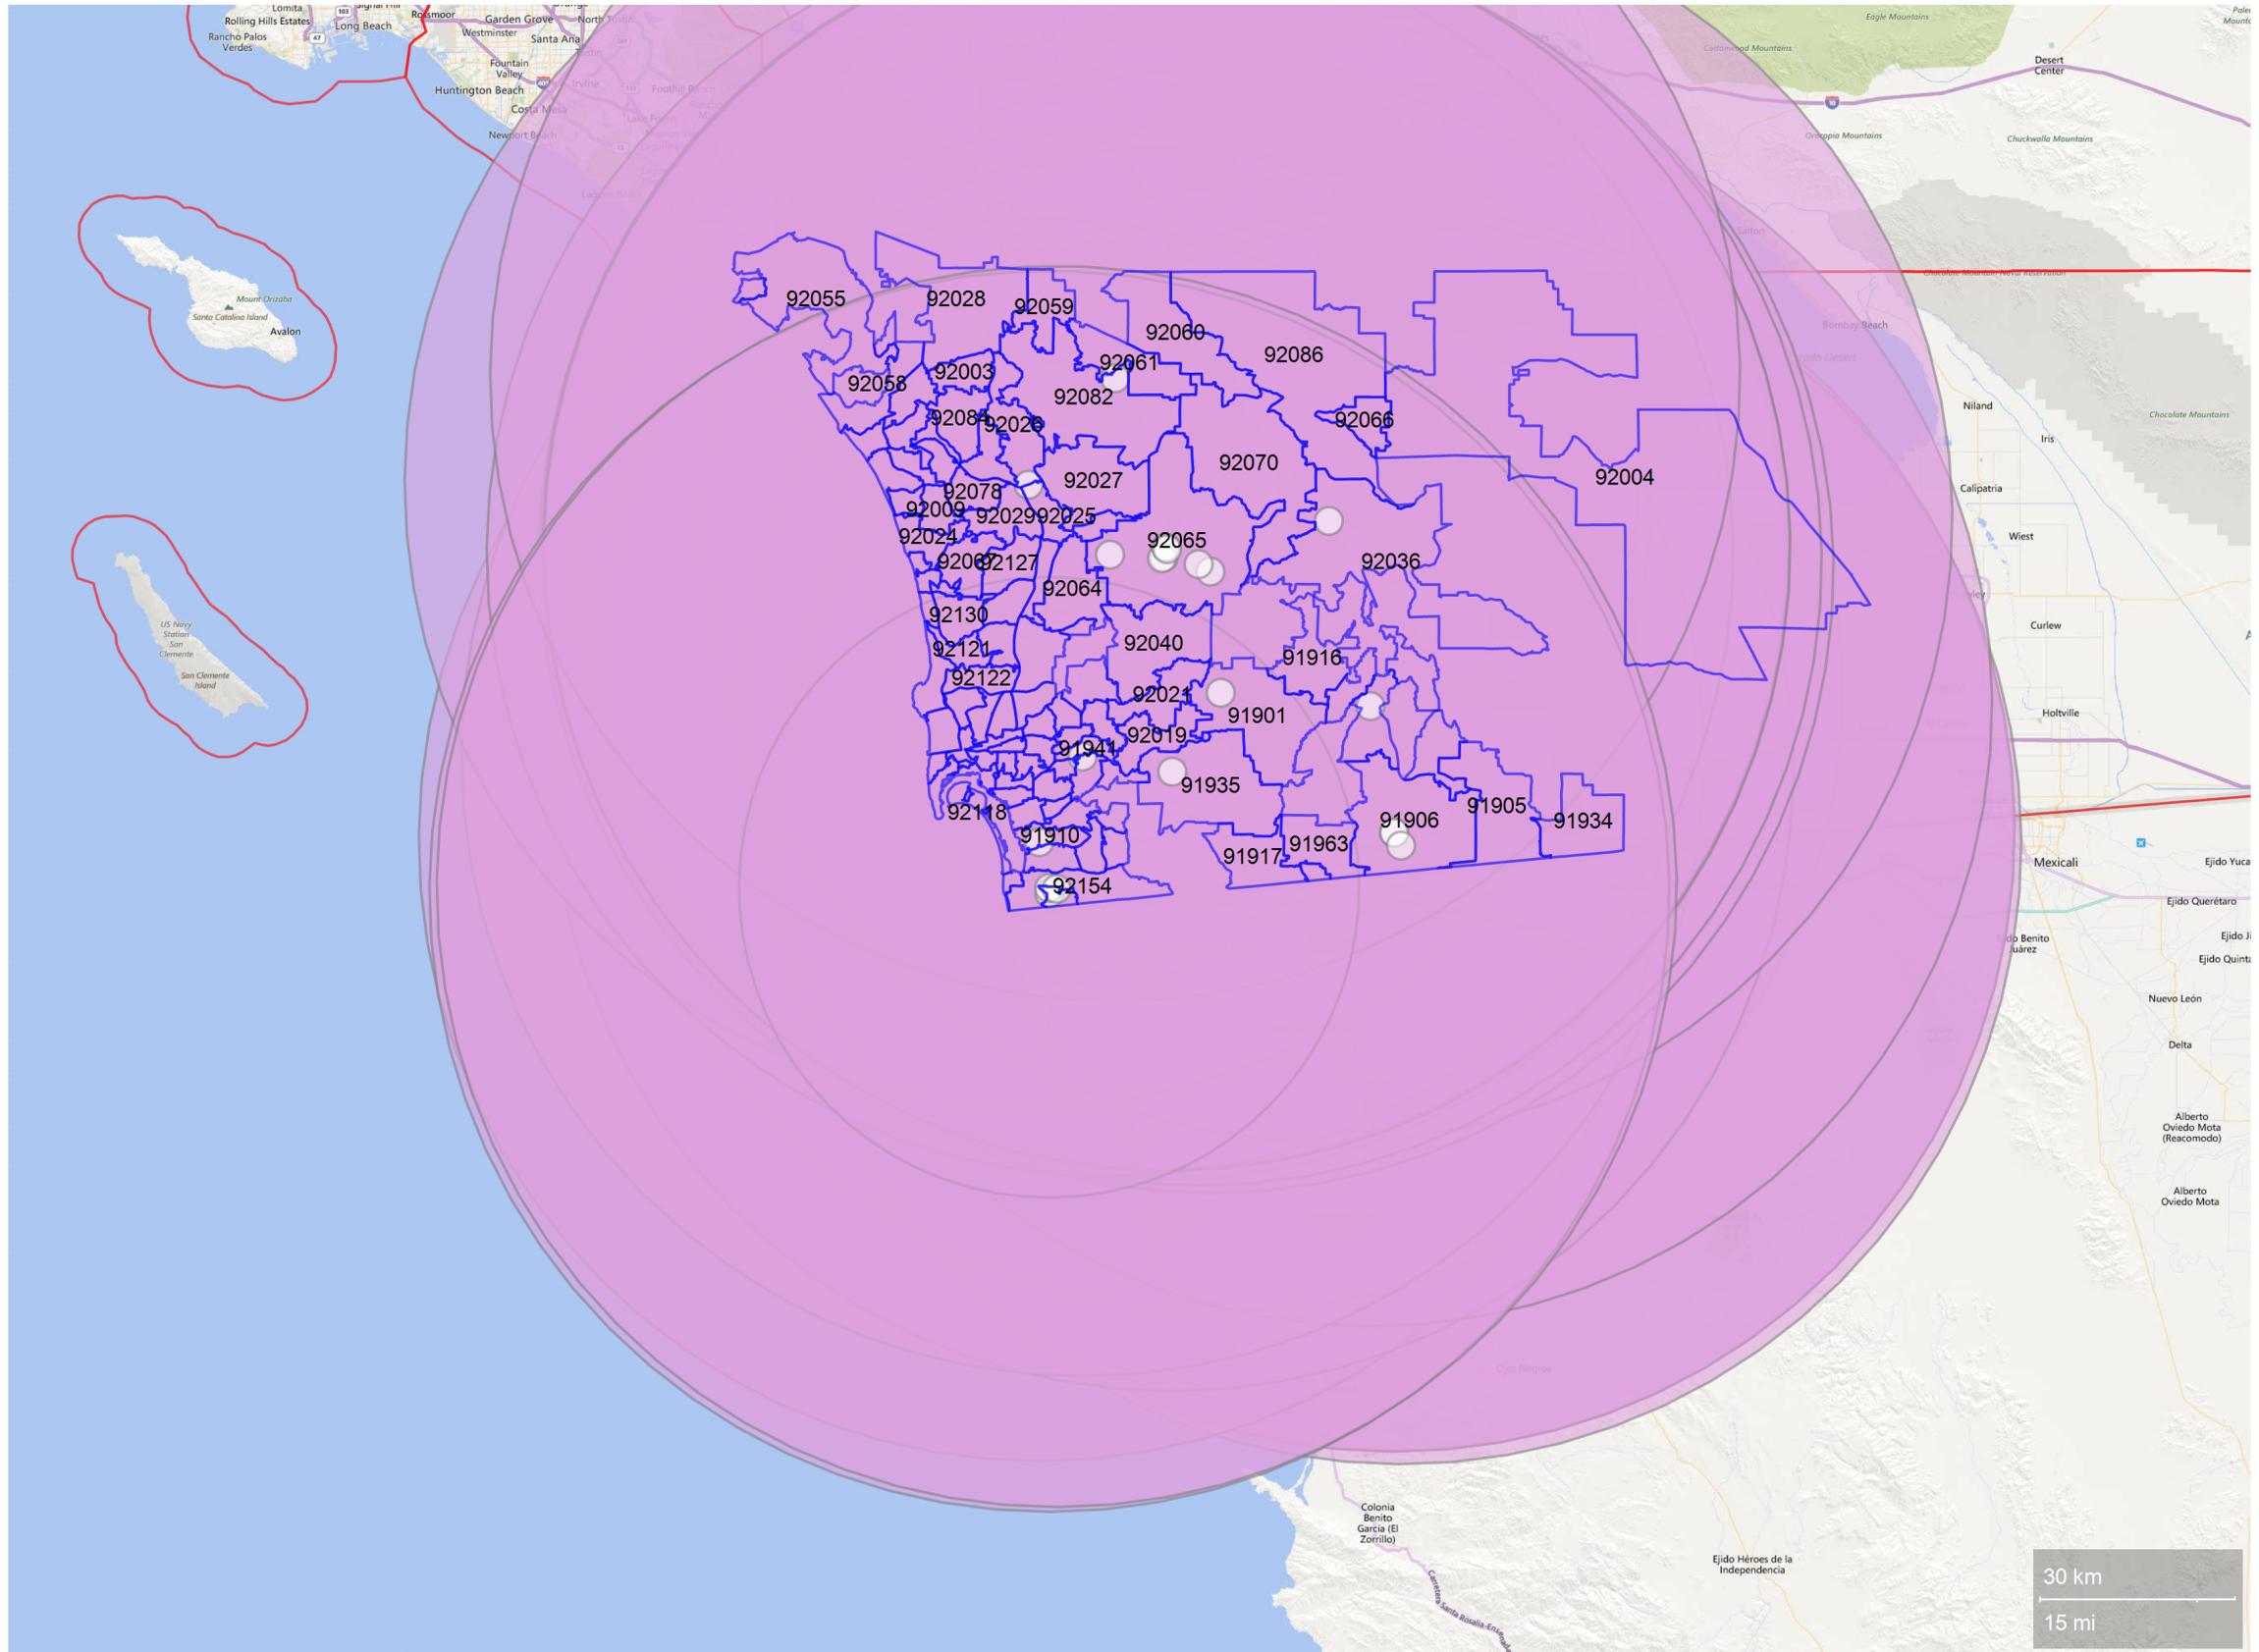

Note: This map shows **outpatient mental health providers who provide services at a satellite office** by a white dot with a pink circle. The circle represents DHCS' 15 mile radius distance standard from the satellite location.

All Layers - Provider Location only - In County, Out of County, Satellite offices

Note: This map combines Medi-Cal client density by zip code (page 2) with the provider coverage from the County of San Diego Behavioral Health Services. The map shows the geographic distribution of providers relative to client density across the county.

Provider Coverage (Self reported radius) - Mobile Services - Community Based Services

Note: This map is for informational purposes only. It does not represent a guarantee of service. Coverage is based on self-reported provider data as of 9/27/2018.
