**County of San Diego Behavioral Health Services**

**Opioid Treatment Programs for Adults**

## Provider Coverage (15 mile radius) - In County Providers

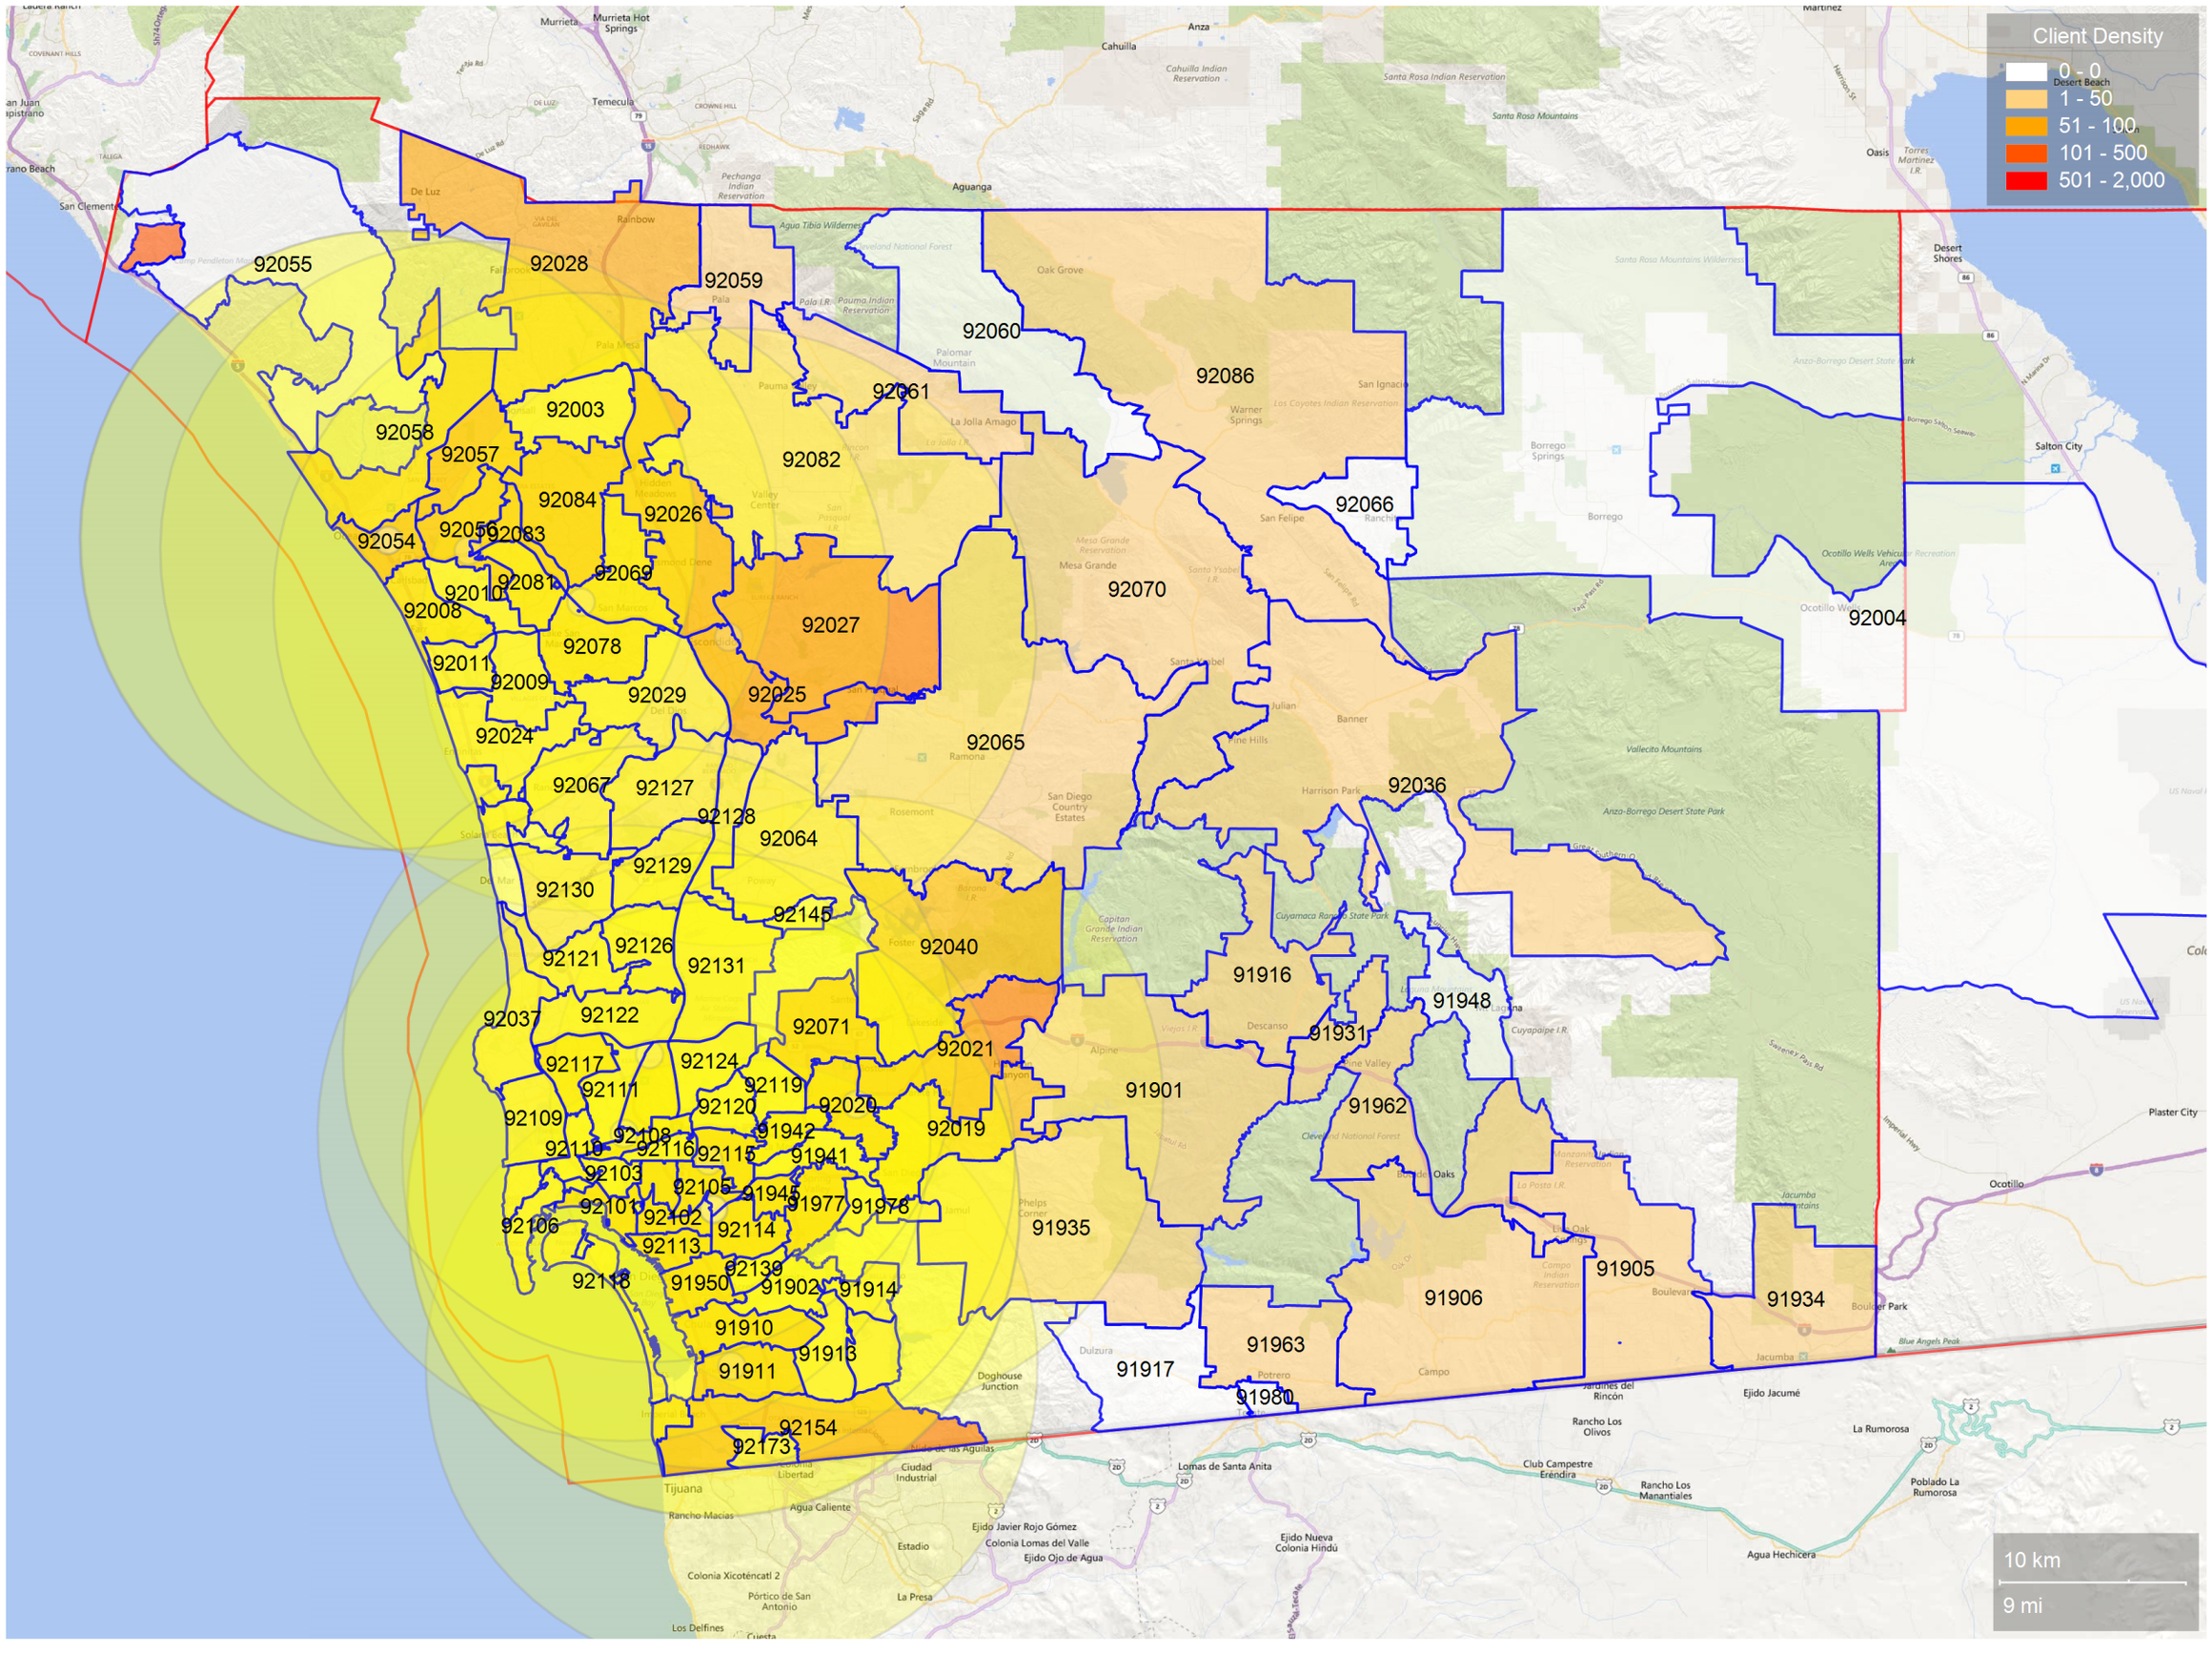

Note: This map shows Opioid Treatment Provider locations that are open to serving adults by a white dot with a yellow circle. The circle represents DHCS' 15 mile radius distance standard from the provider site location. Areas (zip-codes) in which there is no yellow circle overlay may require "alternate access", “mobile service radius” and "Contracted network providers in neighboring service areas” consideration.

## Service Area, Providers and Beneficiaries

Note: This map shows Opioid Treatment Provider locations that are open to serving adults by a white dot with a yellow circle. The circle represents DHCS' 15 mile radius distance standard from the provider site location. Areas (zip-codes) in which there is no yellow circle overlay may require "alternate access", “mobile service radius” and "Contracted network providers in neighboring service areas” consideration. Each zip code is shaded according to the beneficiary count of adults receiving services in that area from 07/01/2018-12/31/2018
