

## **BEHAVIORAL HEALTH ADVISORY BOARD (BHAB) ACTION ITEM DECEMBER 7, 2023**

### **APPROVAL TO SUNSET SUBCOMMITTEES IN FEBRUARY 2024**

At the BHAB Executive Committee meeting on November 7, 2023, Executive Officers discussed extending the sunset date of subcommittees to February 2024. This would apply to the following 2023 subcommittees: Alcohol and Other Drug (AOD) Prevention; Community Engagement (CE); and Criminal Justice (CJ) subcommittee.

Upon approval, these subcommittees can continue to hold regular meetings and activities with the understanding that at the BHAB general meeting on February 1, 2024, subcommittee chairs will provide a report both written and orally noting accomplishments, recommendations, or any other summarizing information to the BHAB and will thereof sunset the AOD, CE, and CJ subcommittees. New subcommittees will be determined and established at a later date by the Executive Committee.
