## 2. AUTHORIZE COMPETITIVE SOLICITATION

### Establish New Community-Based Crisis Stabilization Services Co-Located with Sobering Services in East Region

#### Highlight on East County Community-Based CSU

- Crisis Stabilization Units (CSUs) provide medication, peer support, psychiatric services, and transition planning, with stays of less than 24 hours
- Expansion of CSU services in East County include:
  - Law enforcement drop-off with co-located sobering services
  - Capacity dependent on community need, facility design, and available footprint

Picture of an example CSU located in Oceanside at the North Coastal Live Well Health Center, opened in April 2022 with 12 recliners.
