CARACTER CONTRACTOR CO

	CBHDA 2019-2020 Legislative Update As of 2/24/2023	
Bill	Description	Position
AB 79 Committee on Budget	Human services omnibus, (Chaptered: 6/29/2020) Current federal law provides for the allocation of federal funds through the federal Temporary Assistance for Needy Families (TANF) block grant program to eligible states. Existing law provides for the California Work Opportunity and Responsibility to Kids (CalWORKs) program under which, through a combination of state and county funds and federal funds received through the TANF program, each county provides cash assistance and other benefits to qualified low-income families. Existing law, until January 1, 2021, requires the State Department of Social Services to implement and maintain a nonbiometric identity verification method in the CalWORKs program. This bill would repeal the January 1, 2021, repeal date, thereby extending that provision indefinitely, and would also provide, commencing July 1, 2020, that the though approved by the Governor. Clastered by Secretary of State - Chapter 11, Statutes of 2020.	P Support
AB 81 Committee on Budget	Public health funding: health facilities and services. (Chaptered: 6/29/2020) Would establish various enforcement mechanisms for the State Department of Health Care Services to collect delinquent quality surrance fees, such as requiring the department to assess interest on a skilled nursing facility that fails to pay all or part of the quality assurance fee within 60 days of the date that payment is due, beginning on the 61st calendar day from the date the payment is due, until the unpaid amount due and any interest is paid in full, and authorizing the department to deduct unpaid assessments, including any interest and penalties owed, attributable to a debtor facility from any Medi-Cal payments made to a related facility or entity by common ownership or control to the debtor facility. Status: 6/29/2020 - Approved by the Governor. Chaptered by Secretary of State - Chapter 13, Statutes of 2020.	padring s
AB 465 Eggman D	Mental health workers: supervision. (Chaptered: 9/25/2020) Current law regulates provision of programs and services relating to mental health and requires the creation of community programs to increase access to, and quality of, community-based mental health services. This bill would require any program permitting mental health professionals to respond to emergency mental health crisis calls in collaboration with law enforcement to ensure the program is supervised by a licensed mental health professional, including, among others, a licensed clinical social worker, except as specified. Status: 9/25/2020 - Approved by the Governor. Chaptered by Secretary of State - Chapter 137, Statutes of 2020.	d Suppose F Amended
Wood D	Nurse practitioners: scope of practice: practice without standardized procedures. (Chaptered: 9/29/2020) Would establish the Nurse Practitioner Advisory Committee to advise and give recommendations to the Board of Registered Nursing on matters relating to nurse practitioners. The bill would require the committee to provide recommendations or guidance to the board when the board is considering disciplinary action against a nurse practitioner. The bill would require the board, by regulation, to define minimum standards for a nurse practitioner to transition to practice independently. The bill would authorize a nurse practitioner who meets certain education, experience, and certification requirements to perform, in certain settings or organizations, specified functions without standardized procedures, including ordering, performing, and interpreting diagnostic procedures, certifying disability, and prescribing, administering, dispensing, and furnishing controlled substances. Status: 9/29/2020 - Approved by the Governor. Chaptered by Secretary of State - Chapter 265, Statutes of 2020.	o Supporter
AB 1304 Waldron R	California MAT Re-Entry Incentive Program. (Chaptered: 9/30/2020) Current law makes specified persons subject to parole supervision by the Department of Corrections and Rehabilitation, including a person who has been released from a state prison after conviction for a serious or violent felony or a crime for which the person is classified as a high-risk sex offender, and specifies the length of time the person is required to be supervised on parole. This bill, contingent upon the appropriation to the State Department of Health Care Services of funds received pursuant to a specified federal grant, would establish the California MAT Re-Entry Incentive Program, which would make a person released from prison on parole, with specified exceptions, who has been enrolled in, or successfully completed, an institutional substance abuse program, eligible for a reduction in the period of parole if the person successfully participates in a substance abuse treatment program that employs a multifaceted approach to treatment, including the use of United States Food and Drug Administration approved medically assisted treatment (MAT). Status: 9/30/2020 - Approved by the Governor. Chaptered by Secretary of State - Chapter 325, Statutes of 2020.	d Support f
AB 1766 Bloom D	Licensed adult residential facilities and residential care facilities for the elderly: data collection: residents with a serious mental disorder. (Chaptered: 9/29/2020) Would require the State Department of Social Services to collect information and send a report to each county's department of mental health or behavioral health, beginning May 1, 2021, and annually thereafter, of all licensed adult residential facilities and residential care facilities for the elderly, as described, that accept a specified federal rate and accept residents with a serious mental disorder, as defined, and the number of licensed beds at each facility. The bill would require the departments a report of licensed adult residential facilities and residential care facilities for the elderly that closed permanently in the prior quarter, as specified. The bill would require the department to notify the county mental or behavioral health department within 3 business days upon receiving notice that a licensed adult residential facility or residential care facility for the elderly intends to close permanently. Status: 9/25/2020 - Approved by the Governor. Chaptered by Secretary of State - Chapter 139, Statutes of 2020.	Shipport
AB 1845 Rivas, Luz D	Homelessness: Office to End Homelessness. (Vetoed: 9/29/2020) Would create, within the Governor's office, the Office to End Homelessness, which would be administered by the Secretary on Homelessness appointed by the Governor. The bill would require that the office serve the Governor as the lead entity for ending homelessness in California and would task the office with coordinating homeless programs, services, data, and policies between federal, state, and local agencies, among other responsibilities. (Chaptered: 9/25/2020) Current law makes specified state armories located in specified counties available to those counties, or a city none of those counties, for the purpose of providing temporary shelter for homeless persons from October 15 through April 15 each year, and authorizes any county or city not listed, subject to the approval of the Adjutant General, to use an armory within its jurisdiction, in accordance with specified requirements. Current law requires that a county or city that elects to use an armory as a temporary shelter obtain a license that meets specified requirements. This bill would instead require, prior to shelter services commencing, that the county or city notify local law enforcement officers and request that officers make periodic visits to the armory on each night of operation. (Vetoed: 9/29/2020) Would declare that it is the policy of the state that every individual has the right to safe, decent, and affordable housing, and would require the policy to consider homelessness prevention, emergency accommodations, and permanent housing, as specified. The bill would, among affordable housing, nequire all relevant state agencies and departments, including, but not limited to, the Department of Housing and Community Development, the State Department of Social Services, and the Office of Emergency Services to consider that state policy when revising, adopting, or establishing policies, regulations, and grant criteria when those policies, regulations, and criteria are pertinent to advancing the guidelines listed as core components of Housing First. The bill would make these provisions subject to an appropriation of funds in the annual Budget Act for these purposes. Status: 9/28/2020 - Vetoed by Governor.		Mental health: involuntary commitment. (Chaptered: 9/25/2020) The Lanterman-Petris-Short Act authorizes the involuntary commitment and treatment of persons with specified mental health disorders for the protection of the persons so committed. Under the act, if a person, as a result of a mental health disorder, is a danger to others, or to the meselves, or is gravely disabled, the person may, upon probable cause, be taken into custody for a period of up to 72 hours for assessment, evaluation, and crisis intervention, or placement for evaluation and treatment. Current law requires persons providing the evaluation services to be properly qualified professionals, and authorizes those professionals to provide telehealth evaluation services. Current law also provides immunity from civil and criminal liability for similar detention by specified licensed general acute care hospitals, licensed acute psychiatric hospitals, licensed professional staff at those hospitals, or any physician and surgeon providing emergency medical services in any department of those hospitals if various conditions are met. This bill would authorize an examination, assessment, or evaluation specified, required, or authorized by the above-mentioned provisions to be conducted using telehealth. (Chaptered: 9/25/2020) The California Mental Health Parity Act requires every health care service plan contract or disability insurance policy issued, amended, or renewed on or after July 1, 2000, that provides hospital, medical, or surgical coverage to provide coverage for the diagnosis and medically necessary treatment of severe mental illnesses of a person of any age, and of serious emotional disturbances of a child under the same terms and conditions applied to other medical conditions, as specified. Existing law requires those benefits to include, among other things, outpatient services, inpatient hospital services, and prescription drugs, if the plan contract or policy includes coverage for prescription drugs. This bill would revise and recast those provisions, and would instead require a health care service plan contract or disability insurance policy issued, amended, or renewed on or after January 1, 2021, provide coverage for medically necessary treatment of mental health and substance use disorders, as defined, under the same terms and conditions applied to other medical conditions. (Chaptered: 9/25/2020) Current federal law provides for allocation of federal funds through the federal Temporary Assistance for Needy Families (TANF) block grant program to eligible states. Current state law provides for the California Work Opportunity and Responsibility to Kids (CalWORKs) program, under which, through a combination of state and county funds and federal funds received through the TANF program, each county provides cash assistance and other benefits to qualified low-income families. Current law entitles a family to receive an allowance for specified nonrecurring special needs after a family has used all available liquid resources in excess of \$100, as specified, with the exception of funds deposited in a certain restricted account. This bill would except homeless assistance from that \$100 liquid resources limit. Status: 9/25/2020 - Approved by the Governor. Chaptered by Secretary of State. Chapter 152, Statutes of 2020.

Workers' compensation. (Chaptered: 10/1/2019) Under current law, a person injured in the course of employment is generally entitled to receive workers' compensation on account of that injury. Current law provides that, in the case of certain state and local firefighting personnel and peace officers, the term "injury" includes various medical conditions that are developed or manifested during a period while the member is in the service of the department or unit, and establishes a disputable presumption in this regard. This bill would provide, only until January 1, 2025, that in the case of certain state and local firefighting personnel and peace officers, the term "injury" also includes post-traumatic stress that develops or manifests itself during a period in which the injured person is in the service of the department or unit.
