OPIOID SETTLEMENT FRAMEWORK

THREE KEY DOMAINS

- 1. Healthcare Integration
- 2. Harm Reduction and Prevention
- 3. Social Supports

KEY DOMAIN 1: HEALTHCARE INTEGRATION

- Development and implementation of the San Diego Relay Program
- Execution of two health integration contracts
- Development of a countywide Emergency Medical Response buprenorphine induction program
- Development and integration of an overdose response unit within Behavioral Health Services and Public Health Services

KEY DOMAIN 2: HARM REDUCTION & PREVENTION

- Expansion of naloxone access and supply
 - Naloxone distribution at community events throughout the region, particularly in rural areas
- Design and implementation of the County's Syringe Services Program and drug checking services
- Community-based trainings and workshops on opioid overdose prevention and illicit fentanyl risks

HARM REDUCTION SERVICES

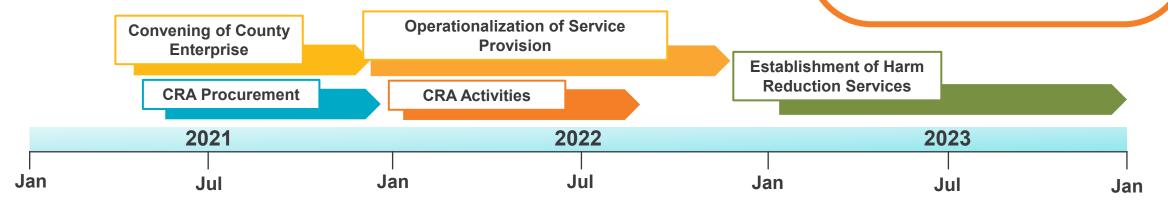

HARM REDUCTION SERVICES ACTION PLAN

- Engage San Diego County stakeholders and residents via the Community Readiness Assessment
- Convene the County Enterprise (PHS, BHS, Sheriff's Department, and Probation Department) around planning and implementation
- Develop policies and procedures for siting, implementing, and monitoring Harm Reduction Services
- Implementation and ongoing evaluation

Community Readiness Assessment

- Gather insight into resident knowledge of harm reduction services
- Identify organizations and groups to support deployment
- Understand community concerns and objections

KEY DOMAIN 3: SOCIAL SUPPORTS

- Public health messaging, outreach campaigns and targeted naloxone distribution events in coordination with rural and tribal communities
- Integration of peers into programming
- 22 bed Community Harm Reduction Team-designated Safe Haven
- Recovery residence funding expansion

HARM REDUCTION CAMPAIGNS

Working with stakeholders to collect input for new materials focusing on:

- Harm reduction for people who use drugs or who are at higher risk of an opioid-related overdose
- General campaign to educate community members on what naloxone is, where they can obtain it, and how to administer

Requesting Board Authority for competitive solicitations to expand and accelerate community-responsive, behavioral health public messaging, outreach, and education.
