TO: Behavioral Health Community and Other Members of the Public

FROM: County of San Diego Behavioral Health Advisory Board

REQUEST TO RECEIVE NOTICES AND AGENDAS OF BEHAVIORAL HEALTH ADVISORY BOARD MEETINGS

Government Code Section 54950, et seq., known as the Brown Act, provides that meetings governed by the Brown Act be publicly held, and previously provided that they be publicly noticed, with the agenda for the meeting posted at a site with public access. While the posting provision was rescinded by the State in June 2012 for financial reasons, the County of San Diego will continue with public noticing following all prior provisions as described in the Brown Act.

The Brown Act also provides that agendas be sent to anyone who has made a written request for them. These written requests are effective for the calendar year in which they are received, and must be renewed annually for each calendar year beginning in January. If you would like to continue to receive agendas in 2018 for some or all of the following BHAB meetings, please send us your signed, written request using the attached form. You may also send your request at any time to be added to the mailing list.

We encourage the use of e-mail for distributing the agendas and have included a box to check for that preference. We will honor requests for hard-copy mailing by US Post for those who do not wish e-mail distribution, but reserve the right to recover the full cost of doing so from the requester per the Public Record Requests provisions of the *Government Code*.

Thank you.

Please send me meeting agendas for the following County of San Diego Behavioral Health Advisory Board meetings (*check any or all boxes*):

- Special Meetings (Intermittent)
- Executive Committee Meetings (as needed in preparation for Regular Meetings)
