# SUBSTANCE USE DISORDER PROGRAMS FOR WOMEN

County of San Diego Health and Human Services Agency  
Behavioral Health Services

## WOMEN'S SUBSTANCE USE DISORDER PROGRAMS

The County of San Diego offers substance use disorder treatment and recovery programs to meet the special needs of women. These programs are for pregnant and parenting women and adolescents (age 15 and up), and women seeking gender-specific services. Treatment programs for women are located throughout the County and services may include:

- Residential and outpatient treatment and recovery programs,
- Medication Assisted Treatment (MAT)
- Harm reduction
- Care coordination and connection to community resources,
- Peer support
- Childcare and children's mental health services,
- Transportation to and from services,
- Education and work preparation activities
- Parenting education, life skills training, and healthy relationship supports.

### Access to Services

Services shall not be refused to clients based on race/ethnicity, disability, culture, religion, gender, sexual orientation, or the inability to pay, if the client meets the County's eligibility population requirements. Clients who are CalWORKs eligible shall not be charged fees. Clients who are DMC eligible shall not be charged fees unless there is Share of Cost (SOC). Language interpretation and translation services are available.

### OUTPATIENT PERINATAL SERVICES

*Outpatient services are available to women, and pregnant or parenting women and adolescent females age 15 and older. Women may utilize the outpatient perinatal programs outlined below or access coed programs outlined in the adult services brochure.*
