

## BHS PROVIDER UPDATES

---

2014-6

### *Pathways Website*

The BHS Pathways to Well-Being team has been working closely with the Academy for Professional Excellence to develop a resource for Behavioral Health Services providers. The link to the Pathways to Well-Being website that is now up on the Academy for Professional Excellence website can be accessed at:

<http://theacademy.sdsu.edu/programs/BHETA/pathways.html>

This website includes general information, training schedules, and links to Tools and Forms as well as links to State resources such as the Katie A. Settlement Implementation document and Core Practice Model Guide. This website will be updated on a regular basis and will be an ongoing resource for providers.
