## ICC and IHBS Service Code Expansion Training

---

**All Primary Behavioral Health Treatment Providers** (entering claims in Cerner) are required to attend one of the following trainings on the expansion of Intensive Care Coordination (ICC) and Intensive Home-Based Services (IHBS). These codes were previously used only for Katie A Subclass clients. As of 7/1/16, ICC and IHBS will be a part of the service code menu for Medi-Cal beneficiaries under the age of 21 who meet service criteria. This training will clearly define the service codes and how/when to utilize them.
