Total Deaths³		24,930	100.0%		13,195	100.0%		11,734	100.0%

¹ Rank is based on total number of deaths in each of the National Center for Health Statistics (NCHS) "rankable" categories. The top 15 leading causes of death presented here are based on the San Diego County residents for 2022.

² Cause of death is based on the underlying cause of death reported on death certificates as classified by ICD-10 codes.

³ Deaths for specific demographics or geographic area may not equal the total deaths for San Diego County due to missing data.

⁵ Not shown for fewer than 11 deaths.

The COVID-19 pandemic was associated with increases in all-cause mortality. COVID-19 deaths have affected the patterns of mortality including those of Leading Causes of Death.

¹ Rank is based on total number of deaths in each of the National Center for Health Statistics (NCHS) "rankable" categories. The top 15 leading causes of death presented here are based on the San Diego County residents for 2016.

² Cause of death is based on the underlying cause of death reported on death certificates as classified by ICD-10 codes.

³ Deaths for specific demographics or geographic area may not equal the total deaths for San Diego County due to missing data.

⁴ Not shown for fewer than 5 deaths.
