<sup>1</sup> Rank is based on total number of deaths in each of the National Center for Health Statistics (NCHS) "rankable" categories. The top 15 leading causes of death presented here are for San Diego County residents for 2023.

<sup>2</sup> Cause of death is based on the underlying cause of death reported on death certificates as classified by ICD-10 codes.

<sup>3</sup> Deaths for specific demographics or geographic area may not equal the total deaths for San Diego County due to missing data.

<sup>4</sup> Counts may not add up to San Diego County total due to overlapping race/ethnicity groups.

<sup>5</sup> American Indian/Alaska Native race group may include those of Hispanic ethnicity.

<sup>6</sup> Not shown for fewer than 11 deaths.

Starting in data year 2023, San Diego County resident deaths that occurred out of state are now included.

<sup>1</sup> Rank is based on total number of deaths in each of the National Center for Health Statistics (NCHS) "natural" categories. The top 15 leading causes of death presented here are for San Diego County residents for 2020.

<sup>2</sup> Cause of death is based on the underlying cause of death reported on death certificates as classified by ICD-10 codes.

<sup>3</sup> Deaths for specific demographics or geographic area may not equal the total deaths for San Diego County due to missing data.

<sup>4</sup> Counts may not add up to San Diego County total due to overlapping race/ethnicity groups.

<sup>5</sup> American Indian/Alaska Native race group may include those of Hispanic ethnicity.

<sup>6</sup> Not shown for fewer than 11 deaths.

The COVID-19 pandemic was associated with increases in all-cause mortality. COVID-19 deaths have affected the patterns of mortality including those of Leading Causes of Death.

<sup>1</sup> Rank is based on total number of deaths in each of the National Center for Health Statistics (NCHS) "rankable" categories. The top 15 leading causes of death presented here are for San Diego County residents for 2016.

<sup>2</sup> Cause of death is based on the underlying cause of death reported on death certificates as classified by ICD-10 codes.

<sup>3</sup> Deaths for specific demographics or geographic area may not equal the total deaths for San Diego County due to missing data.

<sup>4</sup> Not shown for fewer than 5 deaths.

<sup>1</sup> Rank is based on total number of deaths in each of the National Center for Health Statistics (NCHS) "rankable" categories. The top 15 leading causes of death presented here are for San Diego County residents for 2012.

<sup>2</sup> Cause of death is based on the underlying cause of death reported on death certificates as classified by ICD-10 codes.

<sup>3</sup> Deaths for specific demographics or geographic area may not equal the total deaths for San Diego County due to missing data.

<sup>4</sup> Not shown for fewer than 5 deaths.
