Individuals vaccinated by Veterans Affairs or Department of Defense are not included.
 COVID-19 Vaccine is not approved for individuals under the age of 12 years old at this time.
 Data are preliminary and subject to change.
 Data source: San Diego Immunization Registry, SANDAG 2019 Population Estimates (Prepared June 2020). Total population 12 years of age and older=2,833,418.

*Fully Vaccinated is based on receiving either a single dose of Johnson & Johnson or both doses of Moderna or Pfizer, therefore completing the recommended vaccination series. However, individuals are not considered fully vaccinated until two weeks after completing the series, as defined by the Centers for Disease Control and Prevention (CDC).
