

Free!

SimpleReport is a free application created by the CDC, in collaboration with the US Department of Health & Human Services and the US Digital Service to assist COVID testing facilities in meeting reporting requirements.

Web-based

- No software installation or equipment is needed.
- Utilizes secure data entry
- Register online at <https://SimpleReport.gov>

POC Tests

- ✓ Works with ALL antigen testing
- ✓ Works with SOME PCR testing
- ✗ Does NOT work with Serology testing

Organizations

- ✓ Organizations with an assigned CLIA number
- ✓ Enter patient demographics **1x**
- ✓ Good for stable testing populations like:
 1. schools
 2. employees
 3. care centers
- ✗ Not intended for use by individuals to self-report!
- ✗ Does not replace National Healthcare Safety Network (NHSN) point-of-care test reporting requirements for CMS certified Long Term Care facilities

Reported as an ELR to CalREDIE

- Test results entered into SimpleReport are automatically sent to CalREDIE as an ELR.
- There is no need to set up a separate connection to meet reporting requirements

Questions about SimpleReport and reporting to CalREDIE?
