

# Early treatment for COVID-19 is available at two Monoclonal Antibody Regional Centers (MARC)

## Three ways to refer patients as soon as possible:

Call **619-685-2500**

Email referral form or questions to [COVIDtreatment@sdcounty.ca.gov](mailto:COVIDtreatment@sdcounty.ca.gov)

Fax referral form to Palomar Medical Center at **760-739-2851** or San Ysidro Health at **619-785-3293**

## The MARC is open 7 days a week.

**No cost** to the patient, regardless of health insurance or immigration status.

- **MARC at Palomar Medical Center Downtown** 8:00 AM – 8:00 PM  
555 East Valley Parkway, Escondido, 92025
- **MARC at San Ysidro Health** 8:00 AM – 5:00 PM  
391 Oxford Street, Chula Vista, 91911

**Eligible:** Positive results of direct SARS CoV-2 viral testing, AND

- Have had mild to moderate symptoms for 10 days or less, AND
- Age  $\geq$  12 years of age, AND
- At high-risk for progressing to severe COVID-19 and/or hospitalization

**Ineligible:** The following persons DO NOT meet EUA criteria:

- Hospitalized or require oxygen due to COVID-19, or
- Require an increase in baseline oxygen flow rate, or
- Have a history of allergic reaction to monoclonal antibody treatment, or
- $<$  12 years of age or  $<$ 40 kg

**High risk includes at least one of the following criteria:**

- $\geq$  65 years of age
- BMI of 25 or greater
- Pregnancy
- Chronic kidney disease
- Diabetes
- Immunosuppressive disease
- Are currently receiving immunosuppressive treatment
- Cardiovascular disease (including congenital heart disease or hypertension)
- Chronic lung disease (including chronic obstructive pulmonary disease and moderate-to-severe asthma)
- Other medical conditions or factors (for example, race or ethnicity)

**For more information**, including the [referral form](#) and promotional materials, visit the MARC at [www.sandiegocounty.gov/COVIDHealthProfessionals](http://www.sandiegocounty.gov/COVIDHealthProfessionals).
