Recap from Last Week's Telebriefing

We focused on the COVID-19 vaccine rollout and public health items for persons experiencing homelessness. We also had a Universal Screening Tool Refresher Training presented by **Angelina Soto**, CVA Staff Development Specialist with the Health and Human Services Agency.

Please click here to view the most updated version of the [Universal Screening Tool](#) and [Universal Screening Tool Guide](#).

Thank you to **Dr. Ankita S. Kadakia, M.D.**, Chief/Medical Director, Tuberculosis Control and Refugee Health for providing us with a public health update.

The Regional Task Force on the Homeless is re-convening the Regional Homeless Outreach Meetings (R-HOM) on **Tuesday, March 30 from 10AM to 12PM** via Zoom. The R-HOM will feature Iain De'Jong from OrgCode, to discuss the finalized Outreach Standards, a Program Spotlight on the role of Outreach Workers in demobilizing the Convention Center, and an opportunity for regional breakout sessions? If you would like to be added to the distribution list, please contact JennaMarie Glenna, at Jennamarie.Glenna@rtfhsd.org.

Telehealth Provider to Access Temporary Lodging

The County of San Diego provides temporary lodging for persons experiencing homelessness (PEH) who need to isolate or quarantine due to COVID-19. Within the context of COVID-19, high-risk persons experiencing homelessness may be placed in temporary lodging if they have conditions that put them at risk for complications in the event they contracted COVID-19.

More information is provided in the attached [flyer](#).

If anyone encounters someone displaying symptoms, they can call the Temporary Lodging Line **(858-715-2350)**.

For any questions, please reach out to Matt Heffernan at Matt.Heffernan@sdcounty.ca.gov.

Please [click here](#) for more information on the Temporary Lodging Program in English and Spanish.

COVID-19 Testing

Get Us PPE

Get Us PPE | San Diego PPE Donation

Get Us PPE is the largest national organization getting personal protective equipment (PPE such as masks, gloves, and isolation gowns) to frontline workers who need it most. As a nonprofit, they obtain PPE via donations and makers, then deliver it to under-resourced facilities at no cost to them. Fair and equitable distribution is vital to their mission.

They have recently received a generous donation of KN95s and 3-ply masks totaling nearly one million pieces of PPE in the San Diego region! In order to allocate this PPE supply as quickly as possible, they ask that you complete our request form, [found here](#). Currently, they are distributing masks, but please complete the form based on all of your PPE needs so it can inform allocation of future donations.

Get Us PPE can't guarantee that they'll be able to fulfill every PPE request and very much wishes that they could, and their supply-demand matching team is working around the clock to address shortages wherever they can. Filling out the request form will get them one step closer to finding you a PPE match.
