

CORONAVIRUS DISEASE 2019 (COVID-19)

LONG-TERM CARE AND RESIDENTIAL CARE FACILITIES

Thursday, June 11, 2020

Hello Long-Term Care and Residential Care Facilities of San Diego County,

Please see below for information regarding an upcoming opportunity to hear from presenters who will use case-based scenarios to discuss how to apply infection prevention and control guidance for nursing homes and other long-term care facilities that are preparing for and responding to COVID-19.

Also, please join us for the next bi-weekly telebriefing for long-term care and residential care facilities **THIS WEEK** on Friday, June 12, 2020 at 4pm. [Click here for more information.](#)

For additional information and resources, please see our website www.coronavirus-sd.com/LTC. Thank you for your continued efforts and partnership with the County of San Diego!

Applying COVID-19 Infection Prevention and Control Strategies in Nursing Homes

During this COCA call, presenters will use case-based scenarios to discuss how to apply infection prevention and control guidance for nursing homes and other long-term care facilities that are preparing for and responding to COVID-19. Presenters LCDR Kara M. Jacobs Slifka, MD, MPH

(USPHS), and Nimalie D. Stone, MD, both from the Infection Prevention and Control Team, COVID-19 Response, Centers for Disease Control and Prevention.
