

## Live Well San Diego LONG-TERM CARE FACILITIES

[Facebook](#) | [Twitter](#) | [Instagram](#) | [YouTube](#) | [Tik Tok](#)

### TELEBRIEFING

Upcoming Telebriefing will be **Thursday, April 28, 2022, 2:00-3:00 PM**

**Please note: These telebriefings have transitioned to one session per month - the fourth Thursday of every month**

[Zoom Meeting Link](#)

[Submit Telebriefing Questions](#)

For listen mode only, call: 1 (669) 900-6833, when prompted, enter the following Meeting ID: 826 2009 8291. Passcode: 242111

### SECTOR ANNOUNCEMENTS

April 6, 2022

The Food and Drug Administration and the Centers for Disease Control and Prevention have approved the COVID-19 mRNA boosters for all persons over the age of 50, and those over the age of 12 that have moderate to severe immune compromising conditions. **The**

**additional booster may be given at least 4 months after the first COVID-19 booster.** Please see [Health Advisory Update #52: COVID-19 Vaccine Update: Second Boosters](#) and the [COVID-19 Vaccine Boosters | CDC](#) chart for more details which includes updated booster guidance for those who have received Johnson and Johnson's Janssen vaccine.

Additionally, The United States government has announced a [Test-to-Treat](#) initiative to facilitate rapid access to free treatment for COVID-19. Oral antivirals are effective against COVID-19 if provided to persons at high risk for severe outcomes within five days of symptom onset. The Test-to-Treat program goal is to ensure access to these treatments in the shortest time. You can find Test-to-Treat locations in San Diego [here](#). In addition, COVID-19 therapies can also be located at a local pharmacy by utilizing the [COVID-19 Therapeutics Locator](#). If you have difficulties utilizing this tool, please reach out to [COVID-HealthcareStatus@sdcounty.ca.gov](mailto:COVID-HealthcareStatus@sdcounty.ca.gov) for further assistance.

As we get back to our new version of normal, we are planning an emergency preparedness exercise specifically for all of our long-term care facilities. This exercise will be conducted **Thursday, July 21, 2022**. This exercise is meant to promote awareness at each facility for disaster preparedness plans, countywide coordination, and helps meet Centers for Medicare and Medicaid Services (CMS) Emergency Preparedness requirements. Here you will find the [Intent to Participate](#) form. Each interested facility is required to complete the survey to be included in the exercise as a player and to remain engaged with the planning process. We are looking for a minimum of fifteen representatives to join the core exercise planning team. By joining, your facility will help refine objectives and critical tasks that will allow facilities to test their capabilities. Intent to Participate Forms should be submitted ASAP. For questions regarding this exercise or to discuss your intent to participate or to join the core exercise planning team, please reach out to the contacts listed on the form.

Lastly, we would also like to share the Disaster Preparedness Evacuation Lunch & Learn event that will take place on **April 29, 2022, from 9:00 a.m. - 2:00 p.m.** The goal of this luncheon is to coordinate and to educate Residential Care Facilities for the Elderly regarding disaster preparedness, response and recovery. You can find more information on the event and how to pre-register [here](#).

Please find a summary of important resources the County and other partners are currently offering below:

## **Vaccines**

- Visit [COVID-19 Vaccines](#) to locate vaccination sites for staff
- If you have immobile residents who need vaccines or boosters, our County of San Diego Rapid Response Team can assist. Please email [COVID-HealthcareStatus@sdcounty.ca.gov](mailto:COVID-HealthcareStatus@sdcounty.ca.gov) and one of our team members can help you.

## Testing

- Visit the [County's webpage](#) to find COVID-19 testing site locations and times
- If your facility is in need of antigen test kits, please email [logs.testing.hhsa@sdcounty.ca.gov](mailto:logs.testing.hhsa@sdcounty.ca.gov)
- if you're a SNF and in need of test kits for visitors, please email [MOC.LOGS.HHSA@sdcounty.ca.gov](mailto:MOC.LOGS.HHSA@sdcounty.ca.gov)
- If you are a California Department of Social Services (CDSS)-licensed facility and in need of Over-The-Counter COVID-19 test kits for visitors, please email [moc.logs.hhsa@sdcounty.ca.gov](mailto:moc.logs.hhsa@sdcounty.ca.gov). These kits do not require a CLIA waiver.
- You can request free, at-home COVID-19 tests for personal use from the federal government. See more details [here](#). U.S. households can place a total of 2 separate orders for free, at-home COVID-19 rapid tests (4 tests per order). If an order was previously placed for your address, you can place a second order now.
- If you have a health plan, you can purchase over-the-counter COVID-19 tests at no cost. See more details [here](#).

Please find information below regarding the latest guidance and resources from county, state, and federal organizations, including new updates:

- [PIN 22-12-ASC](#) supersedes [PIN 21-39.1-ASC](#): Governor's Executive Order N-04-22 Regarding Coronavirus Disease 2019 (COVID-19) and the expiration of COVID-19 waivers, March 29, 2022
- [PIN 22-13-ASC](#) Adult and Senior Care - Updated Regulations for infection control requirements

For other questions, email [COVID-LTC@sdcounty.ca.gov](mailto:COVID-LTC@sdcounty.ca.gov) or for more information for long-term care facilities, visit [www.coronavirus-sd.com/LTC](http://www.coronavirus-sd.com/LTC). Thank you for your continued efforts and partnership with the County of San Diego!

---

## California Department of Public Health

### [AFL 20-34.6](#) to Adult Day Health Care Centers (ADHCs), March 16, 2022

This AFL notifies ADHCs of a temporary waiver of specified regulatory requirements due to the state of emergency related to the Coronavirus Disease 2019 (COVID-19) outbreak. In accordance with Executive Order [N-04-22](#) (PDF), issued February 25, 2022, this AFL extends the temporary waiver of specified regulatory requirements until June 30, 2022.

### [AFL 20-35.7](#) to All Facilities, March 16, 2022

This AFL notifies all facilities of a temporary waiver of specified statutory and regulatory requirements for CNAs due to the state of emergency related to the COVID-19 outbreak. This AFL revision informs all facilities and applicants that the temporary waiver of specified regulatory requirements for initial certification, renewal, and expired certification have been extended until June 30, 2022, in accordance with Executive Order [N-04-22](#) (PDF), issued February 25, 2022. This AFL informs applicants and certificate holders how to obtain/maintain an active/employable status after the expiration of the listed waivers.

### [AFL 20-40.4](#) to All Facilities and Nurse Assistant Training Programs , March 16, 2022

This AFL notifies all facilities of a temporary waiver of specified statutory and regulatory requirements for NATPs and nursing facilities due to the state of emergency related to the COVID-19 outbreak. In accordance with Executive Order [N-04-22](#) (PDF), issued February 25, 2022, this AFL extends the temporary waiver of specified regulatory requirements contained in this AFL until June 30, 2022.

### [AFL 20-49.5](#) to All Facilities, March 16, 2022

This AFL notifies all facilities of a temporary waiver of specified statutory and regulatory requirements for HHAs due to the state of emergency related to the COVID-19 outbreak. In accordance with Executive Order [N-04-22](#) (PDF), issued February 25, 2022, this AFL notifies all facilities that the temporary waiver of specified statutory and regulatory requirements is extended until June 30, 2022.

### [AFL 20-57.4](#) to All Facilities, March 16, 2022

This AFL notifies all HHA Training Programs of a temporary waiver of specified statutory and regulatory requirements for HHA Training Programs due to the state of emergency related to the COVID-19 outbreak. In accordance with Executive Order [N-04-22](#) (PDF) issued February 25, 2022, this AFL notifies all facilities that the temporary waiver of specified statutory and regulatory requirements is extended until June 30, 2022.

[AFL 21-36.2](#) to Skilled Nursing Facilities, March 16, 2022

This AFL notifies skilled nursing facilities (SNFs) of a temporary waiver of specified regulatory requirements due to the state of emergency related to the Coronavirus Disease 2019 (COVID-19) outbreak. In accordance with Executive Order [N-04-22](#) (PDF), issued February 25, 2022, this AFL extends the temporary waiver of specified space conversion requirements until June 30, 2022.

[AFL 21-08.8](#) to Skilled Nursing Facilities, March 7, 2022

The purpose of this AFL is to provide hospitals and SNF with updated guidance on exposure risk assessment and work restriction for asymptomatic HCP with SARS-CoV-2 exposures (quarantine) Work restrictions for HCP diagnosed with SARS-CoV-2 infection (isolation). This revision incorporates updated Centers for Disease Control and Prevention (CDC) guidance on [Interim Guidance for Managing Healthcare Personnel with SARS-CoV-2 Infection or Exposure to SARS-CoV-2](#) and [Strategies to Mitigate Healthcare Personnel Staffing Shortages](#). Pursuant to Welfare and Institutions Code section 14126.033 a SNF's receipt of the annual increase in the weighted average Medi-Cal reimbursement rate may be conditioned on the facility's good faith compliance with CDPH AFLs related to the COVID-19 Public Health Emergency, as a result the recommendations included in this AFL are requirements for SNFs. This AFL update supersedes and removes the temporarily adjusted return-to-work criteria in place from January 8, 2022 – February 1, 2022, which was not renewed. **Hospitals should and SNFs must now resume using the table, below, to guide work restrictions for HCP with SARS-CoV-2 infection and for asymptomatic HCP with exposures based upon HCP vaccination status and facility staffing level.**

[AFL 21-28.3](#) to Skilled Nursing Facilities, February 22, 2022

This AFL requires SARS-CoV-2 diagnostic screening testing for HCP in SNFs. The [Public Health Order](#) issued July 26, 2021 related to unvaccinated workers in high risk settings becomes effective August 9, 2021. This AFL requires SNFs to develop and implement processes for verifying the vaccination status of all HCP and for obtaining and tracking documentation of results of SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or incompletely vaccinated and includes additional PPE requirements. These requirements are effective August 9<sup>th</sup> and should begin as soon as reasonably possible, with full compliance no later than August 23, 2021. This AFL revision notifies all facilities of the February 22, 2022 [Public Health Order](#) and requires HCP to be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. The revision also allows HCP who have completed their primary vaccination series and provide proof of subsequent COVID-19 infection may defer booster administration for up to 90 days from

the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. This revision also requires at least twice weekly COVID-19 testing for all HCP for unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster in long-term care settings. Facilities must begin testing of all booster-eligible HCP who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022. The California Department of Public Health (CDPH) strongly recommends that all HCP in SNFs (including those that are fully vaccinated and boosted) undergo at least twice weekly screening testing.

[AFL 21-29.3](#) to Health Care Facilities, February 22, 2022

The [Public Health Order](#) issued July 26, 2021, becomes effective August 9, 2021. This AFL requires weekly SARS-CoV-2 diagnostic screening testing for healthcare personnel (HCP) that are unvaccinated or incompletely vaccinated working the above specified in health care facilities. Facilities must develop and implement processes for verifying the vaccination status of all HCP, and for obtaining and tracking documentation of results of weekly SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or incompletely vaccinated as soon as reasonably possible with full compliance no later than August 23, 2021. This AFL revision notifies all facilities of the February 22, 2022 [Public Health Order](#) and requires HCP be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. The revision also allows HCP who have completed their primary vaccination series and provide proof of subsequent COVID-19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. This revision also updates the testing requirements to require at least weekly COVID-19 testing for unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster. Facilities must begin testing of all booster-eligible HCP who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022.

[AFL 21-30.3](#) to Various Types of Intermediate Care Facilities, February 22, 2022

The [Public Health Order](#) issued July 26, 2021 becomes effective August 9, 2021. This AFL requires twice-weekly SARS-CoV-2 diagnostic screening testing for HCP that are unvaccinated or incompletely vaccinated. Facilities must develop and implement processes for verifying the vaccination status of all HCP, and for obtaining and tracking documentation of results of weekly SARS-CoV-2 diagnostic screening testing from HCP who are not fully vaccinated when reasonably possible with full compliance no later than August 23, 2021. This AFL revision notifies all facilities of the February 22, 2022 [Public Health Order](#) and requires HCP to be up to date with vaccinations and receive boosters by

March 1, 2022, unless exempt. The revision also allows HCP who have completed their primary vaccination series and provide proof of subsequent COVID-19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. This revision also updates the testing requirements to require at least twice weekly COVID-19 testing for all unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster. Facilities must begin testing of all booster-eligible workers who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022.

[AFL 21-34.3](#) to All Facilities, February 22, 2022

This AFL notifies all facilities of the August 5, 2021 [Public Health Order](#) related to mandatory vaccination for healthcare workers in identified healthcare settings. This AFL requires all HCP who provide services or work in healthcare facilities[i] to have received either the first dose of a one-dose regimen or their second dose of a two-dose regimen no later than September 30, 2021, unless exempt. This AFL notifies all facilities of the September 28, 2021 [Public Health Order](#) that establishes COVID-19 vaccination requirements for settings in which direct care and services[ii] are provided, and were not included in the August 5, 2021 Public Health Order. Direct care workers must receive either the first dose of a one-dose regimen or their second dose of a two-dose regimen no later than November 30, 2021, unless exempt. This includes the following:

- All in-home direct services workers, including registered home care aides and certified home health aides, except for those workers who only provide services to a recipient with whom they live or who are a family member of the recipient for whom they provide services
  - All hospice workers who are providing services in the home or in a licensed facility
- Facilities and providers must document HCP COVID-19 vaccination or exemption status by the following dates to be in compliance with the public health orders:
  - Healthcare facilities: September 30, 2021
  - Home health agencies and hospice providers: November 30, 2021
- This AFL revision notifies all facilities of the February 22, 2022 [Public Health Order](#) and requires HCP to be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. The revision also allows HCP who have completed their primary vaccination series and provide proof of subsequent COVID-19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. This revision also updates the testing

requirements to require at least twice weekly COVID-19 testing for unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster in an acute care or long-term care setting and requires at least weekly COVID-19 testing such HCP other health care settings.

View other AFLs at the [All Facilities Letter](#) webpage.

---

## California Department of Social Services

**NEW!** [PIN 22-12-ASC](#) to All Adult and Senior Care Licensees, March 29, 2022  
Supersedes [PIN 21-39.1-ASC](#) and notifies Adult and Senior Care (ASC) licensees and Continuing Care Retirement Community providers that pursuant to the Governor's Executive Order N-21-21, dated November 10, 2021, authority for COVID-19 related waivers was extended and the waivers will expire no later than March 31, 2022, or earlier as determined by California Department of Social Services (CDSS).

**NEW!** [PIN 22-13-ASC](#) to all Adult and Senior Care Program Licensees (Except for Adult Residential Facilities for persons with special health care needs), April 4, 2022  
PIN 22-13-ASC updates California Code of Regulations (CCR), Title 22, Division 6. This includes a new Infection Control Requirements section and updates to existing infection control prevention standards, as well as for persons in care with a communicable disease, and various other updates. These regulations are intended to ensure that infection control practices are maintained by licensees, staff and volunteers. These regulations became effective February 7, 2022.

[PIN 22-05.1-ASC](#) to All Adult and Senior Care Program Licensees, March 18, 2022  
Supersedes [PIN 22-05-ASC](#) Adult and Senior Care Facility Worker Coronavirus Disease 2019 (Covid-19) Vaccination and Booster requirements. Workers who provide proof of COVID-19 infection after completion of their primary series may defer booster administration for up to 90 days from date of first positive test or clinical diagnosis. Workers with a deferral due to a proven COVID-19 infection must be in compliance no later than 15 days after the expiration of their deferral.

[Supplemental Guidance](#) for PIN 22-05.1-ASC to Adult and Senior Care Facility Workers  
Workers who have recovered from a diagnosis of COVID-19 in the last 90 days, and remained asymptomatic, do not need to submit to testing until after 90 days has expired

but must self-monitor for symptoms and continue to follow all other infection control requirements, including masking, as stated in the July 26 Order (see Adult Care Facilities and Direct Care Worker Vaccine Requirement Q&A). Workers must provide documentation of previous diagnosis from a healthcare provider or confirmed laboratory results to refrain from testing. Workers must immediately follow self-isolation guidelines and be evaluated, (including testing) if new COVID-19 symptoms occur during the 90 days post-infection.

[Quarterly Update Spring 2022](#) To Adult and Senior Care Programs, March 28, 2022

[PIN 20-11-ASC](#) to All Adult and Senior Care Program Licensees, March 15, 2022  
Announcing organizational changes in the Adult and Senior Care Program. Certain facilities licensed by CCLD in the northern part of San Diego County will now fall under the jurisdiction of the Riverside Regional Office

[PIN 22-08-ASC](#) to All Adult and Senior Care Program Licensees, February 11, 2022  
Here are the [PowerPoint Slides](#) for informational call with Adult and Senior Care (ASC) licensees and their staff held on February 16, 2022 to review new and current COVID-19 guidance and updates.

[PIN 22-09-ASC](#) to Adult and Senior Care Program Licensees, February 14, 2022  
Updates quarantine and isolation guidance for Adult and Senior Care (ASC) facility staff based on staff vaccination status and facility staffing levels.

[PIN 22-07-ASC](#) to All Adult and Senior Care Program Residential licensees, February 7, 2022  
PIN 22-07-ASC supersedes PIN 22-04-ASC, dated January 18, 2022 and PIN 21-40-ASC, dated August 27, 2021, related to the Visitation Waiver. PIN 22-07-ASC informs Adult and Senior Care (ASC) residential licensees the State Public Health Officer Order of December 31, 2021 is being amended at this time to reflect indoor visitation requirements that were in place, prior to December 31, 2021, with the elimination of the six feet distancing requirement, in all covered settings. This amended Order is effective February 8, 2022

[See the full list of recent PINs](#)

**COVID-19 UPDATES & RESOURCES**

## COVID-19 in San Diego County

[COVID-19 Watch: Weekly COVID-19 Surveillance Report \(3/30/22\)](#)

[COVID-19 Weekly Update Presentation \(3/30/22\)](#)

[County of San Diego - COVID-19 Vaccination Dashboard](#)

[County of San Diego - COVID-19 Dashboard](#)

## Federal Retail Pharmacy Program (FRPP) Update on COVID-19 Vaccines

The CDC allocates COVID-19 vaccines directly to enrolled retail and LTC pharmacies. Three LTC-specific groups (MHA, Innovatix-PharMerica, and GeriMed) receive federal doses and allocate them to member pharmacies who can then provide vaccines to LTC facilities. Not every LTC pharmacy in California is enrolled in the the Federal Retail Pharmacy Program (FRPP). To request vaccines from your contracted LTC pharmacy:

1. Enroll in the San Diego Immunization Registry: <http://www.sdiz.org/cair-sdir/enrollment.html>
2. Contact your pharmacy to determine if they are enrolled in the FRPP.
  - o If the LTC pharmacy is enrolled in the FRPP, the pharmacy can subcontract with facilities to also administer the vaccine, and the facility does NOT need to enroll as a vaccine provider.

- If the LTC pharmacy is **NOT** enrolled in the FRPP, facilities can register to be a vaccinator through <https://mycavax.cdph.ca.gov/s/>.
- 3. If your contracted pharmacy cannot assist, you may request assistance from other San Diego LTC pharmacies enrolled in the FRPP:
  - Guardian Pharmacy Services (MHA): [cvrs@guardianpharmacy.net](mailto:cvrs@guardianpharmacy.net)
  - Omnicare of San Diego: [Chadd.Eno@omnicare.com](mailto:Chadd.Eno@omnicare.com)
  - Pharmerica (Innovatix): [ImmunizeLTC@pharmerica.com](mailto:ImmunizeLTC@pharmerica.com)
  - SNP Pharmacy LLC (MHA): [vaccines@snp-rx.com](mailto:vaccines@snp-rx.com)

**UPDATED:** Please view contact information for [additional retail pharmacies](#) that offer on-site clinics:

If you have residents that are immobile or unable to leave the facility (such as those with dementia or behavioral health challenges) and the resources above are not able to accommodate your facility for an on-site vaccination clinic, please email [COVID-HealthCareStatus@sdcounty.ca.gov](mailto:COVID-HealthCareStatus@sdcounty.ca.gov). **Due to a high number of requests, it may take our County team a few weeks to complete incoming vaccination clinic requests.**

### **New! Additional Booster Dose For Certain Individuals**

The FDA, CDC, and Western States Workgroup have authorized [second booster doses](#) of the Pfizer and Moderna COVID-19 vaccines for people 50 years and older and for people 12 years and older with certain immune compromising conditions. These individuals can get a second booster at least 4 months after the first booster of any authorized or approved COVID-19 vaccine. Eligible San Diegans can now get the second booster locally.

### **New! Mega Events**

As of April 1, requirements for vaccine verification or proof of negative test for indoor Mega Events have been lifted and moved to a strong recommendation. Indoor mega events include more than 1,000 attendees.

### **New! Travel COVID Safe Toolkit**

CDPH's [Travel COVID safe social media toolkit](#) reminds travelers to reduce their risk of COVID-19 while traveling this spring and summer. COVID-19 prevention strategies include getting vaccinated and boosted when eligible, testing, and wearing a well-fitting mask with good filtration. Masks are still required at all times on public transportation into, within, or out of the U.S. The [Travel & COVID fact sheet](#) is available in English and [Spanish](#).

---

### **New! Using and Storing COVID-19 At-Home Tests**

The FDA is providing recommendations for the safe use of at-home COVID-19 tests. For example, keep all parts of at-home COVID-19 test kits in the box and out of reach from children and pets, follow the manufacturer's step by step test instructions exactly and read the warning, precautions, and safety information. For more information visit [Use and Store At-Home COVID-19 Tests Properly to Avoid Potential Harm](#). CDPH has also approved using [COVID-19 antigen tests after their printed expiration dates](#), as long as the control line on the test develops properly.

---

### **NEW! COVID-19 Data Reporting Tools**

The County of San Diego Health and Human Services Agency has debuted its [COVID-19 data dashboard](#) to provide users with a more interactive experience. The new tools allow users to view data based on their interests and visualize interactive trends over time. Visit the [County News Center](#) for more information.

---

## **NEW! COVID-19 Test to Treat Program**

[Test to Treat](#) is a new nationwide initiative that will give individuals important access to free lifesaving treatment for COVID-19. Test to Treat will be available at hundreds of locations nationwide, including [federally qualified health centers](#), pharmacy-based clinics, and long-term care facilities.

---

## **Visiting Healthcare Settings**

Planning a visit to a hospital or nursing home? Visit the [revised toolkit](#) to help inform Californians about current rules for visiting hospitals and nursing homes.

---

## **COVID-19 Test to Treat Program**

[Test to Treat](#) is a new nationwide initiative that will give individuals important access to free lifesaving treatment for COVID-19. Test to Treat will be available at hundreds of locations nationwide, including [federally qualified health centers](#), pharmacy-based clinics, and long-term care facilities.
