

*Sending on behalf of the County of San Diego,  
Long-Term Care and Residential Care Facilities Sector, COVID-19 Response*

November 3, 2021

Greetings Long-Term Care and Residential Care Facilities of San Diego County,

November is **National Long-Term Care Awareness Month** to educate Americans on the growing need for long-term care, the importance of planning, and show support to those giving and receiving long-term care. This observance was founded in 2001 by the American Association for Long-Term Care Insurance and recognized by Congress to encourage people to plan ahead for themselves and loved ones. We salute you for working diligently to care for vulnerable individuals who depend on you day in and day out. Thank you for all that you do!

Recently, the Food and Drug Administration (FDA) authorized the emergency use of the Pfizer-BioNTech COVID-19 Vaccine for the prevention of COVID-19 to include children 5 through 11 years of age. See their [press release](#) for full details. Find [vaccine locations and resources](#) for your family members, as well as information on additional doses and booster doses. County vaccination sites are providing all boosters at this time.

A reminder that although vaccination is still the main way to reduce your risk of severe sickness or death from COVID-19, if you do become infected, monoclonal antibody treatment can help prevent severe symptoms and hospitalization. [Early treatment](#) for COVID-19 is available at the [Monoclonal Antibody Regional Centers \(MARC\)](#)s for persons 12 years of age or older with mild to moderate COVID-19 symptoms. [Post-exposure prophylaxis](#) with monoclonal antibodies for persons in close contact with a COVID-19-infected person is available at the MARC at the Clairemont Friendship Center for those who medically qualify. Click [here](#) for more information and MARC locations.

Please find information below regarding the latest guidance and resources from county, state, and federal organizations, including new updates:

- Next Long-Term Care Telebriefing is **November 18, 2:00-3:00 PM**
- Long-Term Care Telebriefing PowerPoint Slides and Recordings on October 28, 2021:
  - COVID-19 Update
  - LTC Update
  - Multidrug-Resistant Organisms and Candida Auris Presentation
- CAHAN, CDPH Health Alert: Anti-SARS-CoV-2 Monoclonal Antibodies, November 1, 2021
- [PIN 21-21 CCLD](#) COVID-19 Safety Recommendations for The Upcoming Holiday Season

For other questions, email [COVID-LTC@sdcounty.ca.gov](mailto:COVID-LTC@sdcounty.ca.gov) or for more information for long-term care facilities, visit [www.coronavirus-sd.com/LTC](http://www.coronavirus-sd.com/LTC). Thank you for your continued efforts and partnership with the County of San Diego!

California COVID-19 Vaccination Program IMM-1396 (10/25/21)

## California Health Alert Network (CAHAN) San Diego

**Health Advisory Update #42: Coronavirus Disease 2019 (COVID-19)  
Vaccine Update: Expanded Eligibility for COVID-19 Vaccine Booster  
Doses**

- After authorization by the Food and Drug Administration (FDA), the Centers for Disease Control and Prevention (CDC) have expanded the recommendations for booster doses to include Moderna and Johnson and Johnson/Janssen (J&J) COVID-19 vaccines as well as heterologous (mix and match) dosing.
- A Clinician Outreach and Communication Activity (COCA) on the recent updates to COVID-19 booster doses was held on Tuesday, October 26, 2021 and will be posted here. To view full details of eligibility, view [10-26-21.pdf \(sandiegocounty.gov\)](#)

[View all CAHANs](#)

## California Department of Public Health

CDPH publishes news and All Facilities Letters (AFLs) regularly. If you would like to receive email notifications of AFLs, please submit your request to [LNCPolicy@cdph.ca.gov](mailto:LNCPolicy@cdph.ca.gov)

### Flu and Coronavirus Resources and Information

- CDPH [updated flu education materials for children, child care providers, and workers](#)
- CDPH [Influenza \(Flu\) and Other Respiratory Diseases](#)
- CDPH Video: Do Your Part, Get Your Flu Shot Today
  - [English Version](#)
  - [Spanish Version](#)
- Flu 2021 [Toolkit](#) from CDPH
- Flu 2021 [seasonal flu vaccination toolkit](#) from the CDC

[AFL 21-08](#) to General Acute Care Hospitals, Acute Psychiatric Hospitals, Skilled Nursing Facilities - October 11, 2021

AFL provides health care facilities with guidance on exposure risk assessment and the duration of quarantine for SARS-CoV-2 exposed HCP working in hospitals and SNFs. SNFs should refer to [AFL 20-53.5](#) for guidance on quarantine and testing for potentially exposed SNF residents. This AFL includes guidance on return to work for HCP diagnosed with COVID-19, including strategies to mitigate HCP staffing shortages. This revision includes updated Centers for Disease Control and Prevention guidance on returning to work during critical staffing shortages.

CDPH has developed a resource for Long-Term Care residents and staff to have continued access to primary series or booster doses of COVID-19 vaccine. The [LTCF COVID-19 Vaccine Toolkit](#) provides information on vaccine access options and resources available for your residents and staff. CDPH created a [vaccine booster chart](#) to help determine which COVID-19 vaccine is recommended for a patient, by age or health conditions.

[CDPH COVID-19 Toolkit](#) serves as a one-stop-shop for partners to access materials available for download and sharing in support of outreach and education. This toolkit has numerous videos, social media messages, infographics, handouts, fact sheets, and more.

[See a full list of recent AFLs](#)

## California Department of Social Services

The Community Care Licensing Division (CCLD) of the California Department of Social Services (CDSS) publishes [Provider Information Notices \(PINs\)](#) to communicate important license related information to CCLD-licensed providers. The local San Diego Adult and Senior Care Regional Office can be reached at (619) 767-2300 or [CCLASCPSanDiegoRO@dss.ca.gov](mailto:CCLASCPSanDiegoRO@dss.ca.gov).

**NEW!** [PIN 21-21 CCLD](#) to All Adult and Senior Care Program Licensees, October 29, 2021

Recommendations of best practices to licensees, providers, persons in care, and families by providing general safety tips as well as advice on specific fall and winter holidays. As COVID-19 variants continue to spread, it is important to maintain safe practices. This information is similar to that in previous PINs regarding celebrating the holidays in a COVID-safe manner but has been updated to reflect new information and provide new resources.

[PIN 21-20-CCLD](#) to All Adult and Senior Care Program Licensees, October 21, 2021

This PIN supersedes [PIN 21-03-CCLD](#), dated February 26, 2021, which informed Community Care Licensing Division (CCLD) licensees of the Adult and Senior Care (ASC) and Children's Residential Programs and licensees and providers of the Child Care Program of a statewide waiver for tuberculosis (TB) testing specific to the timing of COVID-19 vaccinations for licensees, providers, and staff. This PIN informs the above-mentioned licensees and providers that this statewide waiver has been rescinded effective October 21, 2021.

[PIN 21-45-ASC](#) to All Adult and Senior Care Program Licensees, September 28, 2021

Provides Adult and Senior Care licensees and their staff updated infection control guidance and holiday safety. [View PowerPoint](#) Slides from the informational call.

[PIN 21-44-ASC](#) to All Adult and Senior Care Program Licensees, September 28, 2021

Notifies all Adult and Senior Care (ASC) licensees of the COVID-19 vaccination requirement for all workers of ASC facilities, pursuant to the State Public Health Officer Order of September 28, 2021. This PIN also provides guidance related to exemptions from the vaccination requirement and recordkeeping requirements of worker vaccination status and exemption status

[PIN 21-43-ASC](#) to All Adult and Senior Care Program Residential Licensees, September 17, 2021

This PIN supersedes [PIN 20-48-ASC](#), dated December 24, 2020, announcing a

requirement for licensees of Adult and Senior Care (ASC) facilities to submit a plan for Epidemic Outbreaks, specific to COVID-19 (“Mitigation Plan Report”) by January 24, 2021. It also indicates the required components for a COVID-19 Mitigation Plan Report; a COVID-19 Mitigation Plan Report template; training resources; and outlines enforcement actions. This PIN provides specific updates to the Mitigation Plan Report submission process and links to Mitigation Plan training.

[See the full list of recent PINs](#)

## CareStart COVID-19 Antigen Tests

We have officially transitioned from the BinaxNOW Ag. Cards, to the CareStart COVID-19 Antigen POC. Those who have updated/amended their CLIA (CMS116) to include these CareStart AND notified the LFS website are immediately eligible to start requesting and receiving these tests. If you have not done so to avoid delays or gaps in future allocations of testing product please.

- Add/Amend to include the CareStart tests to your CLIA documentation (CMS 116), and
- Notify the [CDPH LFS website](#)

You will need to attest to these two steps before receiving any of the new CareStart Antigen Tests. We have retired the usual links used to order tests in the past.

**To request (POC) Antigen tests (BinaxNOW and the newCareStart Antigen Tests), please:**

- Complete the [NEW: Point-of Care \(POC\) Antigen Test Interest Notification & Attestation](#)

- Complete the [NEW: Point-of-Care Antigen Test Program follow-up questionnaire](#) for those who have previously received testing products from us.

If you have any questions, email [logs.testing.hhsa@sdcounty.ca.gov](mailto:logs.testing.hhsa@sdcounty.ca.gov)

---

## Monoclonal Antibody Treatments

The FDA issued an [Emergency Use Authorization \(EUA\)](#) for a monoclonal antibody therapy combination called REGEN-COV, comprised of the casirivimab and imdevimab monoclonal antibodies from Regeneron. This life-saving combination therapy is authorized for the treatment of mild to moderate COVID-19 in symptomatic patients with positive who are at high risk for progressing to severe COVID-19 disease or hospitalization. [High risk persons](#) include those  $\geq 65$  years of age, or with a BMI  $\geq 25$ , or with diabetes, or pregnancy, or who have certain chronic medical conditions.

Rapid Response Teams can conduct on-site administration of the treatment and provide training for Skilled Nursing Facility staff in order for the Skilled Nursing Facility staff to administer the treatment in the future. Skilled Nursing Facility staff can contact [mcsdnursingmabinfusion.hhsa@sdcounty.ca.gov](mailto:mcsdnursingmabinfusion.hhsa@sdcounty.ca.gov) to request Rapid Response Teams or ask questions.

- [Early treatment](#) for COVID-19 is available at the [Monoclonal Antibody Regional Centers \(MARC\)](#)s for persons 12 years of age or older with mild to moderate COVID-19 symptoms.
- [Post-exposure prophylaxis](#) with monoclonal antibodies for persons in close contact with a COVID-19-infected person is available at the MARC at the Clairemont Friendship Center for those who medically qualify.

Visit the [Monoclonal Antibody Regional Center webpage](#) for a list of sites and more information.

---

## Federal Retail Pharmacy Program (FRPP) Update on COVID-19 Vaccines

Through the Federal Retail Pharmacy Program (FRPP), the CDC is allocating COVID-19 vaccines directly to enrolled retail and **LTC pharmacies**. Three LTC-specific groups (MHA, Innovatix-PharMerica, and GeriMed) receive federal doses and allocate them to member pharmacies who can then provide vaccines to LTC facilities. Please note, not every LTC pharmacy in California is enrolled in the FRPP. Those not enrolled in the FRPP may enroll as vaccine providers at [myCAvax](#) or LTC pharmacies may enroll under one of the current Group Purchasing Organizations (MHA, Innovatix-PharMerica, and GeriMed) to receive federal vaccine doses. **To request vaccines from your contracted LTC pharmacy:**

1. Enroll in the San Diego Immunization Registry: <http://www.sdiz.org/clair-sdir/enrollment.html>
2. Contact your pharmacy to determine if they are enrolled in the FRPP.
  - If the LTC pharmacy is enrolled in the FRPP, the pharmacy can subcontract with facilities to also administer the vaccine, and the facility does NOT need to enroll as a vaccine provider.
  - **If the LTC pharmacy is not enrolled in the FRPP, facilities can register to be a vaccinator through** <https://mycavax.cdph.ca.gov/s/>.
3. If your contracted pharmacy cannot assist, you may request assistance from other San Diego LTC pharmacies enrolled in the FRPP:
  - Guardian Pharmacy Services (MHA): [cvsrsguardianpharmacy.net](mailto:cvsrsguardianpharmacy.net)
  - Omnicare of San Diego: [Chadd.Eno@omnicare.com](mailto:Chadd.Eno@omnicare.com)
  - Pharmerica (Innovatix): [ImmunizeLTC@pharmerica.com](mailto:ImmunizeLTC@pharmerica.com)
  - SNP Pharmacy LLC (MHA): [vaccines@snp-rx.com](mailto:vaccines@snp-rx.com)
