

# County of San Diego Elementary School Waiver

Application for a Waiver to Re-open In-Person Instruction for TK-6 Elementary Education.

Please submit one application for each local educational agency or equivalent. If applying on behalf of a school district, please submit one application for the elementary schools in the district that are seeking to reopen for in-person instruction. If applying for an independent, private, faith-based, or charter school, please submit an application for each school.

If all documentation is not included application can not be processed.

Once the waiver is approved, your information will be posted on the County of San Diego website, <http://Coronavirus-sd.com/K12Schools>

**Labor Organization**

Del Mar California Teachers' Association (DMCTA)-

7/16/20 -Sought input from certificated staff regarding reopening plan via google form

7/21/20- Teacher Webinar- Informational webinar with all certificated staff regarding reopening plans

7/31/20 -All certificated staff provided input regarding safe reopening via google form

8/07/20- Teacher Webinar- Informational webinar with all certificated staff regarding reopening plan and the waiver provision. Teachers provided input following the webinar via Thoughtexchange platform.

8/10/20- District met with DMCTA for consultation regarding waiver.

8/12/20- Labor union surveyed members regarding a waiver and have reported that at least 50% of members are in favor of the district submitting a waiver.

Classified Advisory Committee (CAC):

8/13/20- Met with CAC to review the waiver process. Members surveyed- 92% approved the waiver.

\*See attached webinars

**Parent Organization**

DMUSD Parent Community Questionnaires and Webinars: This format involves all parents from all eight schools and represents the questions and input of parents throughout the district.

7/17/20- Parent Questionnaire- Sought parent input and questions regarding reopening via google form

7/21/20- Parent Webinar-Presented a webinar to parents in response to 918 questions submitted. 1,000 attendees

7/21/20-Parent Feedback - District solicited parent feedback after webinar via chat feature. We received 26 pages of parents' responses.

7/23/20- Parent Webinar- Presented a webinar to parents in response to submitted questions specifically related to reopening. 1,300 attendees

8/5/20- Parent Questionnaire- Sought parent input and questions regarding safe reopening via google form- 633 parent responses

8/11/20- Parent Webinar- Presented a webinar to parents regarding the waiver application process and the safe reopening schools. 1,500 attendees

8/11/20- Parent Thought Exchange- Sought parent feedback about the waiver via Thoughtexchange platform. 1,383 participants; 1,292 thoughts; 49,155 thought ratings.

PTA Presidents' Advisory Committee meetings-

7/23/ 20- Discussed return to school

8/7/20- Presented information regarding reopening and the waiver provision.

\* See attached webinars

**Community Organization**

DMUSD Governing Board of Trustees Regular Board Meeting:

6/24/20-Health and Safety Report- Student and Staff Health and School Preparation 2020-2021

7/22/20 -Health and Safety Report- Student and Staff Health and School Preparation 2020-2021 presented.

7/27/20- Consult Meeting with Community Physicians- District met with physicians regarding COVID-19 and safe reopening of schools.  
8/12/20- District met with UCSD regarding partnership for surveillance and diagnostic testing of staff.  
After School Program- Letter of Support (see attached)  
Child Nutrition Administrator- Letter of Support ( see attached)

\*District decisions regarding the safe reopening plan have included input from local health agencies, physicians, staff, parents and community.

\*See attached presentations

### **1. Published on Webpage**

<https://www.dmusd.org/cms/lib/CA01001898/Centricity/Domain/1294/FI12%20Schools.pdf>

#### **1.A) Webpage Section/Page**

Pg. 1, Item 1

#### **1.B) Webpage Language**

1. The district has a COVID-19 Safe Reopening Plan webpage that includes the school's:

- a. Safe Reopening Plan for K-12 Schools
- b. CDPH Guidance for Reopening Schools
- c. Parent education materials re: Covid-19
- d. Descriptions of in-person and distance learning programs

### **2. Distance Learning**

YES

#### **2.A) Distance Learning Section/Page**

Page 2- item 2f

#### **2.B) Distance Learning Language**

Offer an online, distance learning program called Launch as an option for students who are at risk or unable to attend in-person learning during the 2020-2021 school year. This robust, yearlong program will encompass a year's worth of content and learning and will be significantly different when compared to emergency remote learning opportunities offered during school closure. Launch will operate as a separate program within the Del Mar Union School District and will include students from all eight DMUSD schools. Launch includes:

- i. Online, daily live (synchronous) instruction will be combined with asynchronous instruction and independent learning tasks.
- ii. Students and/or parents will attend in-person meetings with their Launch teacher. This time will be scheduled by the Launch teachers based on student needs. If a student is unable to attend an in-person meeting, other arrangements will be made.
- iii. Feedback on learning and grading will be consistent with in-school expectations and based on the learning plans of students.
- iv. Credentialed teachers and support staff are DMUSD employees trained in facilitating distance learning instruction.
- v. Parents/Guardians must take an active role in the daily teaching of their child. In this role of learning coach, they will be responsible for providing daily instructional support and collaborating with the Launch teacher. Home support of Launch and attention to the learning needs of Launch students is essential to success in this program.

- vi. Parents should be prepared to commit for one year. If it is necessary for a student to transfer out of this program, enrollment in the student's previous school of attendance will be determined based on space availability.
- vii. Students assigned to the Kindergarten Spanish Immersion program are not eligible for enrollment in Launch.

### **3. Physical Distancing**

YES

#### **3. A) Physical Distance Section/Page**

Pgs. 8- 9; items 14-17

#### **3. B) Physical Distancing Language**

The school will maintain physical distancing between students, as practicable during the following:

- a) School buses/stops- Students will be expected to maintain distancing and wear face coverings
- b) Daily symptom checks completed each day by staff and students (parents) via app
- c) Students will go directly to their classes at drop off and will not be permitted to congregate. Students dropped off between 8:00-8:15 and instruction begins at 8:15.
- d) Meal periods- Students will remain with their cohort for lunch/snack and will maintain strict 6 ft or more while face coverings are removed. Students will eat outdoors when possible.
- e) Recess- Recess will be staggered to accommodate distancing and zones will be assigned to cohorts.
- f) Classrooms and other learning spaces- Tents have been added to each school site. Each classroom will have a designated outdoor learning space/ tent.
- g) Restrooms- Limit # of students to allow for distancing. Sites will limit the bathrooms to 2-3 students at a time. Handwashing stations have been installed outside to reduce congregating inside of the bathrooms.
- h) While students are exiting the campus-
- i) Multiple points of entry/exit will be designated.
- ii) Dismissal will be staggered at each site. Sites will establish schedules to allow for staggered dismissal. Times.

12. In order to ensure physical distancing to the greatest extent practicable, the following is in place:

- a. Multiple ingress and egress points on campus.
- b. Students enter and exit through designated gates.
- c. Students arrive and report immediately to their classrooms for temp. checks between 8:00-8:15 .
- d. Staff will ensure students report directly to their classroom with no congregating.
- e. Dismissal will be staggered in two "waves". One wave will dismiss at 2:00, and the next at 2:15
- f. Stagger recess and lunch time as appropriate. Cohorts will remain together for lunch and recess. No mixing of cohorts.
- g. Students will eat outdoors and maintain at least 6 ft. distancing while masks are removed.
- h. On rainy days- cohort will remain in the classroom and eat in 2 shifts.
- i. Cohorts will be assigned zones for recess.
- j. Each classroom will have a designated outdoor learning space (tents installed outdoors for each classroom on each site.)

13. . The school will limit student mixing with the following measures to the extent practicable:

- a) Students will remain in the same space and in groups as small and consistent as practicable. Keep the same students and teacher or staff with each group, to the greatest extent practicable.
- b) Minimize movement of students and teachers or staff as much as practicable. Teacher and students will stay together as one cohort.
- c) Schedule recess activities in separated areas designated by class. Cohorts will stay together and be assigned times and "zones" for recess.
- d) Limit the use of common use areas such as lunch areas, libraries, MURs, .
- e) Eat snacks and meals outdoors or in classrooms.

14. The school will maximize space between student seating.

- a. Teacher desks and other staff desks will be at least six feet away from student seating.
- b. Space will be maximized to promote distancing inside and outside of the classroom. Students may use designated outdoor space. Outdoor classroom provided for each cohort.
- c. If employees cannot maintain physical distancing with students, they should ensure that they are using proper PPE and following hygiene protocols.
- d. Class sizes will be kept small to allow for distancing.
- e. Floor decals have been provided to each school to indicate proper spacing for distancing.

#### **4. Stable Cohorts**

YES

##### **4. A) Stable Section/Page**

Pg 9, item 16

##### **4. B) Stable Cohorts Language**

The school will limit student mixing with the following measures to the extent practicable:

- a) Students will remain in the same space and in cohorts as small and consistent as practicable.
- b) Minimize movement of students and teachers or staff as much as practicable. Teacher and students will stay together as one cohort.
- c) Schedule recess activities in separated areas designated by class. Cohorts will stay together and be assigned times and "zones" for recess. Recess times will be staggered.
- d) Limit the use of common use areas such as lunch areas, libraries, MURs.
- e) Eat snacks and meals outdoors or in classrooms. Cohorts will stay together for lunch and recess in designated outdoor spaces

#### **5. Face Coverings**

YES

##### **5.A)Face Covering Section/Page**

Pg 4- item 6-9

##### **5.B) Face Covering Language**

The school will enforce the use of face coverings as follows:

- a. All staff will wear face coverings.
- b. All students K-6 will be required to wear face coverings.
- c. A clear face shield may be used in place of a cloth face cover when it is necessary for a person's face to be visible during interactions such as direct instruction.
- d. Schools will provide face coverings for any student/staff who needs one for temporary use
- e. Face coverings can only be removed for eating and drinking. Physical distancing must be maintained when face coverings are removed.
- f. Any student who does not comply with the face covering protocol (unless exempt) will be expected to enroll in distance learning (Launch program.)
- g. N95 masks will be provided to health technicians and cleaning staff.

The school has adequate supplies on hand to support healthy hygiene behaviors, including soap, tissues, trash cans, face coverings and hand sanitizer.

5. Staff will use all required protective equipment per California Department of Public Health (CDPH) guidelines.

a. Health techs will be provided with N95 masks for working with staff/students who demonstrate symptoms of COVID-19

6. The school will provide personal protective equipment (PPE).

- a. A sufficient supply of masks is available for staff and students at each site
- b. Face shields are available for all staff working directly with children for instruction
- c. Plexiglass barriers are in place where front office staff must interact with visitors
- d. Clear plexiglass screens are to be used when students must be in close proximity and are unable to wear a mask. Limited to speech and language therapy, ELPAC and psychoeducational testing. Each classroom will receive 5 plexiglass screens to be utilized as needed (eg. Small group instruction)

## **6. Cleaning and Disinfection**

YES

### **6. A) Cleaning and Disinfecting Section/Page**

Pg 4-8. items 10-13

### **6. B) Cleaning and Disinfecting Language**

One member of the custodial team is designated to clean and sanitize throughout the day. An additional custodial staff member has been hired at each school site to provide extra cleaning and disinfecting during COVID-19. Frequently touched surfaces will be cleaned and disinfected at least three times throughout the day in accordance with the district's sanitation protocol. Frequently touched surfaces include:

- a. Door handles
- b. Light switches
- c. Sink handles
- d. Door handles
- e. Bathroom surfaces

Bus vendors will provide the district with cleaning, sanitization, and safety guidelines. Bus vendor will ensure physical distancing and sanitization protocols adhere to the CDPH guidelines.

12. Cleaning and sanitation protocols incorporate the following

elements:

- a. Cleaning products are approved for use against COVID-19 on the Environmental Protection Agency (EPA)-approved list
- b. Disinfectants are labeled as effective against emerging viral pathogens.  
Employees are trained on manufacturer's directions, on Cal/OSHA requirements for safe use and as required by the Healthy Schools Act, as applicable.
- c. Custodial staff are equipped with proper protective equipment.
- d. HVAC filters have been replaced. MERV 13 filters are being installed in all systems capable.

## **7. Entrance, Egress and Movement**

YES

### **7. A) Entrance/Movement Section/Page**

pg 8, item 15

### **7. B) Entrance/Movement Language**

In order to ensure physical distancing to the greatest extent practicable, the following is in place:

- a. Multiple ingress and egress points on campus.
- b. Students enter and exit through designated gates.
- c. Students arrive and report immediately to their classrooms for temp. checks between 8:00-8:15 .
- d. Staff will ensure students report directly to their classroom with no congregating.
- e. Dismissal will be staggered in two "waves". One wave will dismiss at 2:00, and the next at 2:15
- f. Staggered recess and lunch time. Cohorts will remain together for lunch and recess. No mixing of cohorts.
- g. Students will eat outdoors and maintain at least 6 ft. distancing while masks are removed.
- h. On rainy days- cohort will remain in the classroom and eat in 2 shifts.
- i. Cohorts will be assigned zones for recess.
- j. Each classroom will have a designated outdoor learning space (tents installed outdoors for each classroom on each site.)

12. Cleaning and sanitation protocols incorporate the following elements:

- a. Cleaning products are approved for use against COVID-19 on the Environmental Protection Agency (EPA)-approved list
- b. Disinfectants are labeled as effective against emerging viral pathogens. Employees are trained on manufacturer's directions, on Cal/OSHA requirements for safe use and as required by the Healthy Schools Act, as applicable.
- c. Custodial staff are equipped with proper protective equipment.
- d. HVAC filters have been replaced. MERV 13 filters are being installed in all systems capable.

## **8. Health Screenings**

YES

### **8. A) Health Screening Section/Page**

pg 12, item 22.

### **8. B) Health Screening Language**

Each school will adhere to the following health and safety precautions:

a) Staff and students who are sick or who have recently had close contact with a person with COVID-19 must stay home.

b) Schools and the COVID-19 response team will adhere to the mitigation protocol established by the CDPH including:

i) Symptom screenings will be completed by staff and students (parents) each day prior to entering campus .

ii) Temperature checks must be conducted on school staff immediately before entering the school campus.

iii) No-touch thermometers are provided for each teacher and health technicians.

iv) Teachers/staff will conduct temperature screens of students daily. Wellness checks will be conducted throughout the day.

v) Staff/ students/ parents will be asked to report if they or anyone in their home is exhibiting COVID-19 symptoms.

c. If a student is exhibiting symptoms of COVID-19, staff should communicate with the parent/caregiver and refer to the student's health history form and/or emergency card.

d. Monitor staff and students throughout the day for signs of illness; send home students and staff with a fever of 100 degrees (per San Diego County public health order) or higher, cough, or other symptoms of COVID-19

### **8. C) Language for Symptomatic Students or Staff**

In the event that a student or staff member exhibits symptoms during the school day the school will follow the mitigation protocol.

a. Immediately isolate anyone exhibiting signs/symptoms of COVID19 until they are able to be transported home. .Advise parents or staff members exhibiting s/s of COVID-19 to contact their health care provider immediately and request a test. If student or staff is not able to contact their provider, they will be provided with the information for testing centers operated by the SD County Department of Public Health. Testing will be provided to staff at Concentra (contracted through JPA) if staff is unable to receive free testing from health care provider.

b. Advise sick staff members and students not to return until they have met CDC criteria to discontinue home isolation, including 24 hours with no fever without the use of fever-reducing medication, symptoms have improved OR 10 days since symptoms first appeared.

c. Ensure that Any student or staff who tests positive or was exposed directly to a confirmed positive will quarantine for 14 days from date of confirmed positive or exposure.

d. Contact 9-1-1 without delay for serious illness including persistent pain or pressure in the chest, confusion, or bluish lips or face.

e. Close off areas used by any person with a confirmed or presumptive positive case COVID-19 and do not use before cleaning and disinfection.

f. If a Teacher or student tests positive the entire cohort will quarantine. Families and staff will be notified while maintaining confidentiality.

g. All students will have access to instruction when out of class. In the event of a class or school closure, students will be access remote learning.

### **9. Healthy Hygiene Practices**

YES

#### **9. A) Healthy Hygiene Section/Page**

Pg3, items 4-5

#### **9. B) Healthy Hygiene Language**

School staff will teach and reinforce the following:

Students will:

- a. Use tissue to wipe their nose and to cough/sneeze inside a tissue or their elbow
- b. Wash their hands before and after eating; after coughing or sneezing; after being outside; and before and after using the restroom.
- c. Wash their hands for 20 seconds with soap and use paper towels to dry hands thoroughly.
- d. Use fragrance-free hand sanitizer when handwashing is not practicable.
- e. Avoid touching their faces.

Hygiene procedures will be communicated to families and staff prior to school return and will be available on the district website.

Staff and students will wash their hands or use hand sanitizer frequently throughout the day.

- a. Additional handwashing stations and hand sanitizer dispensers have been added to all school sites in addition to existing handwashing stations in classrooms and restrooms
- b. Use of restrooms will be limited to 2-3 students or staff at one time (depending on site specific facilities) to prevent congregations in bathrooms. School site teams develop systems, schedules and signage for bathroom use to ensure no more than two/three individuals are inside the bathroom at one time.
- c. Students and staff regularly wash their hands at staggered intervals. School site teams develop routines for regular handwashing. Regular hand washing includes before and after eating, after coughing and sneezing, after being outside and before and after using the restroom.
- d. Students and staff use hand sanitizer when necessary or anytime entering a learning spaces.

## **10. Identification and Tracing of Contacts**

YES

### **10. A) Identification and Tracing Section/Page**

pg. 12, item 24

### **10. B) Identification and Tracing Language**

In the event that a student or staff member exhibits symptoms during the school day the school will follow the mitigation protocol.

- a. Immediately isolate anyone exhibiting signs/symptoms of COVID19 until they are able to be transported home. Advise parents or staff members exhibiting s/s of COVID-19 to contact their health care provider immediately and request a test. If student or staff is not able to contact their provider, they will be provided with the information for testing centers operated by the SD County Department of Public Health. Testing will be provided to staff at Concentra (contracted through JPA) if staff is unable to receive free testing from health care provider.
- b. Advise sick staff members and students not to return until they have met CDC criteria to discontinue home isolation, including 24 hours with no fever without the use of fever-reducing medication, symptoms have improved OR 10 days since symptoms first appeared.
- c. Ensure that Any student or staff who tests positive or was exposed directly to a confirmed positive will quarantine for 14 days from date of confirmed positive or exposure.
- d. Contact 9-1-1 without delay for serious illness including persistent pain or pressure in the chest, confusion, or bluish lips or face.
- e. Close off areas used by any person with a confirmed or presumptive positive case COVID-19 and do not use before cleaning and disinfection.
- f. If a Teacher or student tests positive the entire cohort will quarantine. For 14 days. Families and staff will be notified while

maintaining confidentiality.

g. All students will have access to instruction when out of class. In the event of a class or school closure, students will be access remote learning.

## **11. Staff Training and Family Education**

YES

### **11. A) Staff Training and Family Edu. Section/Page**

Pg 11, item 20

### **11. B) Staff Training and Family Edu. Language**

The District will train all staff and provide educational materials to families in health and safety practices related to COVID-19. Parent education materials will be provided in the "Welcome Back" packet and posted on the District website. Mandatory staff training for all staff will be conducted on 8/18/20 focusing on:

- a. Proper handwashing and hygiene
- b. Physical distancing guidelines
- c. Use of face coverings
- d. At home and school day screening practices
- e. COVID-19 specific symptom identification
- f. Mitigation protocols

## **12. Testing of Students and Staff**

YES

### **12. A) Testing Section/Page**

Pg. 13, items 24-25

### **12. B) Testing Language**

In the event that a student or staff member exhibits symptoms during the school day the school will follow the mitigation protocol.

a. Immediately isolate anyone exhibiting signs/symptoms of COVID19 until they are able to be transported home. Advise parents or staff members exhibiting s/s of COVID-19 to contact their health care provider immediately and request a test. If student or staff is not able to contact their provider, they will be provided with the information for testing centers operated by the SD County Department of Public Health. Testing will be provided at no cost to staff at Concentra (contracted through JPA) if staff is unable to receive free testing from health care provider.

b. Advise sick staff members and students not to return until they have met CDC criteria to discontinue home isolation, including 24 hours with no fever without the use of fever-reducing medication, symptoms have improved OR 10 days since symptoms first appeared.

c. Ensure that Any student or staff who tests positive or was exposed directly to a confirmed positive will quarantine for 14 days from date of confirmed positive or exposure.

d. Contact 9-1-1 without delay for serious illness including persistent pain or pressure in the chest, confusion, or bluish lips or face.

e. Close off areas used by any person with a confirmed or presumptive positive case COVID-19 and do not use before cleaning and disinfection.

f. If a Teacher or student tests positive the entire cohort will quarantine. For 14 days. Families and staff will be notified while maintaining confidentiality.

g. All students will have access to instruction when out of class. In the event of a class or school closure, students will be access remote learning

## **12. C) Staff Tested Periodically Language**

Schools will:

- a. Designate a staff liaison (health technician at each site) to be responsible for responding to COVID-19 concerns. All site Health Technicians will communicate with the District COVID-19 Response Team.
- b. Promptly notify any students or staff members of possible exposures and closures.
- c. Notify local health officials, staff, and families of students who were exposed immediately of any positive case of COVID-19.
- d. Students who are at high risk for severe illness have the opportunity to enroll in the Launch distance learning program. Staff who are at high risk are assigned to the Launch, distance learning program.
- e. DMUSD is consulting with UCSD Department of Health to obtain rapid-result testing for staff and students who have symptoms or were exposed, as well as to establish protocols for surveillance testing of staff.
- f. Staff will be directed to provide proof of a (-) COVID-19 PCR test conducted within 10 days of the opening of in-person school. Staff will be provided with information regarding the free local testing sites and the process for scheduling an appointment. If no appointment is available for staff, testing will be facilitated by HR. Testing protocols will be established to conduct periodic surveillance testing of staff in collaboration with medical facility (Possibly UCSD Health Clinic,) a staff member's health provider or county public health. Staff will work with Human Resources, if not able to receive a timely test.

## **13. Triggers for Switching to Distance Learning**

YES

### **13. A) Triggers to Dist. Learning Section/Page**

Pg 14, item 26

### **13.B) Triggers to Dist. Learning Language**

The District will adhere to the following guidelines pertaining to closures:

- (a) Schools will close a classroom and implement quarantine protocols if one or more members of the cohort tests positive.
- (b) A school may close if multiple cases in multiple cohort or 5 % of total # of staff and students test positive within a 14-day period.
- (c) The Superintendent may close a district in collaboration with the local public health department if more than 25% of schools are closed.
- (d) The District will communicate plans for school closure to students, parents, teachers, staff, and the community.  
If a student must isolate, the student will engage in the District's independent study plan.  
If a classroom or school must close, students will engage in remote learning provided by the classroom teacher.

## **14. Communication Plans**

YES

### **14. A) Communication Plans Section/Page**

Pg 13, item 25

### **14. B) Communication Plans Language**

The DMUSD COVID RESPONSE TEAM will track incidents of possible exposure and notify local health officials, staff, and families

immediately of any exposure to a positive case of COVID-19 at school while maintaining confidentiality, as required under FERPA and state law related to privacy of educational records.

- a. COVID RESPONSE TEAM= Jenni Huh (Director of Student Services),
- b. Jason Romero ( Assistant Sup/ HR)
- c. Jenny Venyak (HR),
- d. School nurses- Lori Smiley, Beth Anderson
