

COVID-19

THE RESPONSE CONTINUES

BEYOND FEBRUARY 2023

Where can I get tested?

No cost COVID-19 testing sites will continue to be available at several locations across the county. Locations can be found by clicking [Testing](#) on the COVID-19 website.

How can I get vaccinated?

COVID-19 vaccinations are safe and available from multiple vaccine providers. Appointments are not necessary, but available if preferred. To find vaccine locations and what to bring with you, click [Vaccine](#) on the COVID-19 website.

Where can I learn more?

Fact sheets, posters, postcards, videos and other educational resources can be found by clicking [Educational Materials](#) on the COVID-19 website.

You can find the answers to these, and other questions by visiting the COVID-19 website found at the address or by scanning the QR code.
