Get Vaccinated for COVID-19

Vaccination is one of the most important tools to end the COVID-19 pandemic. Review the information below to learn about eligibility and vaccination options available to you.

**Appointments
Required At Most Sites**

**Must Bring
Photo ID**

**Must Bring
Proof of Eligibility**

Schedule An Appointment

Doctors, pharmacies, community clinics, and other healthcare providers are working to provide vaccinations. Supplies remain limited. Please be patient and check the website regularly for open appointments.

- **First, check with your healthcare provider for a vaccination.**
- **If you cannot get a vaccination from a healthcare provider, visit the [County of San Diego vaccination website](#) to schedule an appointment.**

If you are 16 or 17 years old, you must:

- Select an appointment from a site offering the Pfizer-BioNTech vaccine only; **AND**
- Have your parent or legal guardian schedule your appointment to provide consent to receive the vaccine.
 - If you visit a no-appointment vaccination site, a parent or legal guardian must be with you to provide consent in order for you to receive the vaccine.

Vaccine Brand	Age Requirement	Doses Needed	Recommended 2nd Dose Timeline
Pfizer-BioNTech	16 years and older	2	21 days after the first dose
Moderna	18 years and older	2	28 days after the first dose
Janssen/ Johnson & Johnson*	18 years and older	1	

*The U.S. Food and Drug Administration (FDA) and Centers for Disease Control and Prevention (CDC) have recommended use of the Janssen/Johnson & Johnson (J&J) COVID-19 vaccine resume in the United States, after a temporary pause on 04/13/2021. Individuals getting the J&J COVID-19 vaccine will be asked to review the latest [guidance](#) prior to being vaccinated.

See Page 2 for what to bring to your COVID-19 vaccine appointment.
