COVID-19 vaccinations are now available for individuals working in the Childcare & Education Sector! Please review the information below regarding eligibility and vaccination options available to you.

Staff in Transitional Kindergarten (TK) through 12th Grade ONLY:
The San Diego County Office of Education (SDCOE) will be coordinating vaccinations for all staff in TK-12 including private, charter, and public schools. School leaders will be contacted by SDCOE when their school employees are eligible to make appointments through the VEBA portal. Do not schedule an appointment through the County website, these appointments will not be honored at the vaccination site. Visit the SDCOE website and FAQs for more information.

Childcare and Higher Education ONLY

Healthcare Provider: If you have a doctor or are enrolled with a local healthcare system, please work with them to schedule an appointment. Many providers are notifying their patients directly with next steps to receive the COVID-19 vaccine based on federal and state guidance.

County Locations: If you are unable to get the COVID-19 vaccine from your healthcare provider, the County of San Diego and its partners are offering vaccinations to individuals in eligible priority groups. Appointment information for County vaccination super stations and PODs is available online at www.VaccinationSuperStationSD.com.

Please Note: See page 2 for a list of acceptable documents to bring to your COVID-19 vaccination appointment to show proof of eligibility as well as a list of eligible individuals from the childcare and education sector.

Childcare and Education Sector*:

• Formal and informal childcare workers, including day care providers and the following:
  • Examples of informal childcare workers include: public and private recreation programs such as YMCA/YWCA, on campus afterschool programs, individuals or programs receiving a child care subsidy. Occasional babysitting should not be included
  • Resource Family approved homes and certified family homes providing emergency or short-term foster care. While foster care is in a home care setting, the nature of it is temporary and may be a revolving door of children staying and leaving needing care
  • Those working in Children’s Residential Community Care facilities (e.g. Short-Term Residential Therapeutic Program, group homes, temporary shelter care facilities)
  • Staff in childcare support services and administration
  • Other workers involved in childcare settings
  • Staff in educational support services and administration
  • Staff in pre-kindergarten, elementary, middle, and high schools
  • Other workers involved in child and/or student care, including school bus drivers and monitors, crosswalk guards, etc.
  • Third-party contractors and volunteers regularly engaged in work with students on a school campus
  • Staff in colleges, universities, junior colleges, community colleges, and other postsecondary education facilities
  • Staff in technical and trade schools
  • Staff in support services and administration
  • Third-party contractors and volunteers regularly engaged in work on a school campus
  • Library staff with occupational exposure to students

*Includes staff, volunteers, contractors, and janitorial workers
