COVID-19 VACCINATIONS

Food & Agriculture Sector: Food Handlers

COVID-19 vaccinations are now available for individuals working in the Food & Agriculture Sector! Please review the information below regarding eligibility and vaccination options available to you.

**Schedule An Appointment**

- **Grocery/Drug Store Staff**: Pharmacies will be assisting with vaccinations for grocery workers. Please contact your employer for information on how to get a vaccine.
- **Healthcare Provider**: If you have a doctor or are enrolled with a local healthcare system, please work with them to schedule an appointment. Many providers are notifying their patients directly with next steps to receive the COVID-19 vaccine based on federal and state guidance.
- **County Locations**: If you are unable to get the COVID-19 vaccine from your employer or your healthcare provider, the County of San Diego and its partners are offering vaccinations to individuals in eligible priority groups. Appointment information for County vaccination super stations and PODs is available online at [www.VaccinationSuperStationSD.com](http://www.VaccinationSuperStationSD.com).

**Proof of Eligibility**

Individuals must be able to show they live or work in San Diego County AND meet the current eligibility requirements (see page 2) at the time of their appointment to be vaccinated. Appointments will not be honored for individuals unable to meet these requirements. You will need to bring a photo ID (school or work ID, membership card, etc.) AND at least one of the documents listed below for proof of eligibility.
