

# County of San Diego Sexual Health Clinics

Sexual Health Clinics provide **confidential** testing and treatment for sexually transmitted infections (STIs). *There is a \$40 fee that covers the cost of all services provided and includes any follow-up visits within 30 days of your exam. The fee may be waived if you are unable to pay.*

## Services Provided:

- STI testing—Confidential **HIV testing is available** with each STI exam.
- STI treatment
- Vaccinations
- Hepatitis testing and vaccinations are available and given according to national guidelines.

**Naloxone (Narcan) is available for FREE at all County clinics to respond to an opioid overdose—Just ask!**

## Clinic Locations and Hours\*

**Walk-In Clinics:** All County Sexual Health Clinics are walk-in clinics only and do not schedule appointments in advance. Each clinic registers as many people as the clinic can accommodate and stops accepting patients when capacity is reached.

**Please walk in and register for your visit as early in the day as possible.**

| Clinic   | Location  | Monday             | Tuesday            | Wednesday           | Thursday           | Friday             |
