

County of San Diego STD Clinics

STD Clinics provide **confidential** testing and treatment for sexually transmitted diseases (STDs). *There is a \$40 fee that covers the cost of all services provided and includes any follow-up visits within 30 days of your exam. The fee may be waived if you are unable to pay. **As of July 25, 2022, the \$40 STD clinic fee is being waived until further notice to support the County’s monkeypox (MPOX) response.***

Services Provided:

- STD testing—Confidential **HIV testing is available** with each STD exam.
- STD treatment
- Vaccinations
- Hepatitis testing and vaccinations are available and given according to national guidelines.

Naloxone (Narcan) is available for FREE at all County clinics to respond to an opioid overdose—Just ask!

Clinic Locations and Hours*

Walk-In Clinics: The STD clinics at Central, South, and North Coastal Region Public Health Centers are all walk-in clinics. Clinics register as many people as each clinic session can accommodate and stop accepting clients when capacity is reached.

Please walk in and register for your visit as early in the day as possible.
