County of San Diego Health and Human Services Agency

Ryan White Primary Care Program Information for Patients

Eligibility Information for Ryan White Primary Care (RWPC)
- Available to those between the ages of 21 and 64 with an HIV positive blood test, and who have no other source of payment for health care, for example, Medi-Cal, Medicare, private insurance or insurance obtained through Covered California. **All participants will be regularly screened for other payors (including Medi-Cal, Medicare, private insurance and Covered California insurance).**
- RWPC Participants must enroll or recertify every six months.
- If you are referred, you must complete the application process for other health coverage (for example – Medi-Cal).

Hospital and Emergency Care Services are Never Covered

Hospitalization and emergency care services may be covered by other programs (CMS and Medi-Cal) if you qualify.
Clinic staff can tell you how to apply for other programs that may cover expanded services.

If you have any questions, ask your clinic staff
