

Ryan White Primary Care Program Information for Patients

Eligibility Information for Ryan White Primary Care (RWPC)

- Available to those between the ages of 21 and 64 with an HIV positive blood test, and who have no other source of payment for health care, for example, Medi-Cal, Medicare, private insurance or insurance obtained through Covered California. **All participants will be regularly screened for other payors (including Medi-Cal, Medicare, private insurance and Covered California insurance).**
- RWPC Participants must enroll or recertify every six months.
- If you are referred, you must complete the application process for other health coverage (for example – Medi-Cal).

Covered Services

Medical

- Primary care medical services related to HIV disease provided by a primary care provider at the below listed clinics:

AIDS Healthcare Foundation (619) 516-8931

San Ysidro Health

Family Health Centers of San Diego

San Ysidro Health Center (619) 205-6383

Hospital and Emergency Care Services are Never Covered

Hospitalization and emergency care services may be covered by other programs (CMS and Medi-Cal) if you qualify. Clinic staff can tell you how to apply for other programs that may cover expanded services.

If you have any questions, ask your clinic staff
