

Preteen Vaccine Week Activities for Individuals and Organizations

Help Get The Word Out About Preteen Vaccines: Please promote preteen immunizations by doing one (or more) of the following activities during Preteen Vaccine Week March 1-6, 2021:

- If you are the parent of preteens, take this opportunity to check with their doctor to see if they need any immunizations. Ask other parents to do the same for their preteens.
- Use the [Preteen Vaccine Week social media messages](https://tinyurl.com/PreteenVaccineWeek) in your tweets and Facebook posts, and encourage others to do the same. (visit <https://tinyurl.com/PreteenVaccineWeek> to view and download materials)
- Use the [Preteen Vaccine Week social media messages, drop in article and web graphics](https://tinyurl.com/PreteenVaccineWeek) on your web site, or that of your club, school, or other organization. (visit <https://tinyurl.com/PreteenVaccineWeek> to view and download materials)
