Two More Measles Cases Confirmed in San Diego

Two more San Diego residents were confirmed today to have measles after exposure to an ill individual who returned from a recent trip to the Philippines. The County of San Diego Health and Human Services Agency (HHSA) issued a press release today notifying the public about potential exposures at the following locations:

- Pettit Kohn law offices, 11622 El Camino Real, Suite 300, San Diego, on Feb. 28 from 8 a.m. to 7 p.m. and March 3 from 8 a.m. to 10 a.m.;
- Naval Base San Diego Commissary, 2525 Callagan Highway, Bldg. 3629, San Diego, on March 1 between 1 p.m. and 4 p.m.;
- Sharp Rees-Stealy (SRS) Sorrento Mesa Urgent Care Center, 10243 Genetic Center Drive, San Diego, on March 3 from 4 p.m. to 8 p.m.;
- Sharp Rees-Stealy (SRS) Sorrento Mesa Primary Care, 10243 Genetic Center Drive, San Diego, on March 4 from 12:30 p.m. to 6 p.m.

HHSA public health officials will be contacting individuals who were registered patients at the listed medical locations during the exposure periods to determine if they are at risk for developing measles.

People who have not been vaccinated, or who have not had measles, may contact their providers for evaluation and preventive treatment if appropriate. Guidance from the California Department of Public Health (CDPH) on measles post-exposure prophylaxis (PEP) may be found [here](#).

The number of reported measles cases in California in 2014 is now 23 with four other possible cases under investigation. Medical providers should review their infection control procedures and proactively document measles immunity for all staff members at medical facilities. CDPH guidance on healthcare facility infection control recommendations for suspect measles patients may be found [here](#).

If measles is suspected in a patient, immediately notify the County Epidemiology and Immunization Services Branch (EISB) (866) 358-2966 Monday-Friday 8 a.m.-5 p.m. and (619) 692-8499 after hours and on weekends. Questions about PEP management may also be directed to EISB.

Thank you for your continued participation.
