Health Services Advisory Board Meeting | September 15, 2016

# PHS LACTATION SUPPORTIVE ENVIRONMENTS (LSE) CURRENT EFFORTS & ACCOMPLISHMENTS

**LSE** program creates supportive environments that increase initiation and duration of breastfeeding rates through policy, systems and environmental changes. *(Funding: 2010-2012, CDC; 2012-present, First 5 San Diego)*

## Accomplishments

- **14** school districts engaged, **13** districts adopted policies, over **25,500** district employees impacted.
- **45** worksites engaged, **37** worksites instituted LSE systems changes, over **104,000** employees impacted.
- **6** Community Healthcare Centers implementing 9 key elements to become breastfeeding-friendly.

# LSE EFFORTS SUPPORT *LIVE WELL SAN DIEGO*

By advancing policy, systems, and environmental changes that impact:

# NEW FUNDING FOR LACTATION SUPPORTIVE ENVIRONMENTS IN CHILDCARE FACILITIES

## Overview:

- First 5 San Diego was awarded funding by California First 5 for an Improve and Maximize Programs so All Children Thrive (IMPACT) grant.
- Funding for HHSA: \$1.2 million over four years.
- Funding Term: September 1, 2016 – June 30, 2020.

## Goals:

- Ninety-five childcare facilities implement breastfeeding-friendly policies.
- Ninety-five childcare facilities that are trained on lactation supportive environments procedures at a minimum of 95 sites.
- Increase the number of childcare facilities designated by the YMCA resource and referral program as breastfeeding-friendly.

**Target Audience:** Childcare providers

# REQUESTING SUPPORT OF THE HEALTH SERVICES ADVISORY BOARD

- To approve Single Source contract with the University of California, San Diego - Center for Community Health (UCSD-CCH) to implement Lactation Supportive Environments in Childcare Facilities.
- To pursue future funding opportunities related to the support of lactation efforts.

# RATIONALE FOR UCSD-CCH SINGLE SOURCE CONTRACT

- Contractor for the Lactation Supportive Environments program since 2013.
- Enhances efficiency by tapping into existing expertise, materials, and training programs.

# Thank You!
