

NON-COMPETITIVE PROCUREMENT FOR PRIMARY CARE

Patrick Loose

HIV, STD and Hepatitis Branch

November 17, 2016

REQUEST

Requesting renewal of authority to non-competitively procure primary care services for Ryan White and CMS in the amount of \$8,418,128.

RYAN WHITE

HIV, STD and Hepatitis Branch

HIV Ambulatory Health Service are funded by the Health Resources and Services Administration, Ryan White Parts A and B

HSHB uses a network of community health centers to provide HIV primary medical care

CMS

Eligibility Operations

County Medical Services are funded by Tobacco Settlement Funds

CMS uses a network of local hospitals, community health centers and private physicians to provide these services

HIV OUTPATIENT AMBULATORY HEALTH SERVICES

Provides medical and dental care for people living with HIV in San Diego who are uninsured or underinsured with the goals of reducing disparities and improving health outcomes.

COUNTY MEDICAL SERVICES

The County does not own or operate any acute care hospitals, nor does it have the medical personnel necessary to provide or manage physical health services for the uninsured adults within the County.

WHY PROCURE NON-COMPETITIVELY?

Capacity exists to contract with all interested, eligible providers

Zero-dollar contracts
