

**Health and Human Services Agency  
Health Services Advisory Board (HSAB)  
Public Health Officer's Report  
January 19, 2017 \* 3-5PM \* 1600 Pacific Highway, SD 92101**

**I. Communicable Disease Issues**

**A. Infectious Disease Issues**

**1. Zika Virus**

- San Diego now has capacity to test for Zika with PCR only (not for IgM and IgG)  
**Update through 1/11/17:**
- **Total Zika Testing referrals to EPI Program for consultation of potential cases: 979 cases (682 in November), with 759 cases ruled out for Zika.**
- **Confirmed Zika cases (all travel-associated): 78 (64 in November)**
- **Of these, 3 cases from San Diego are in the national Zika Pregnancy Registry**
- **Cases pending lab results or submission: 127 cases pending results.**
- **Travel associated cases:** American Samoa (1), Belize (1), Brazil (2), Caribbean (multiple islands) (1), Central America (1), Columbia (2), **Costa Rica (5)**, Dominican Republic (2), Grenada (1), Guatemala (3), Haiti (1), Jamaica (2), Kiribati (1), **Mexico (29)**, **Nicaragua (9)**, Puerto Rico (3), Saint. Lucia (1), Singapore (1), Trinidad (3), **USVI (1)**, Venezuela (3), and sexual transmission from a traveler (1).
- Again, all reported cases are imported; 0 cases confirmed in pregnant women.
- There are now **24 (24 in November)** Mexican states with documented local Zika transmission, but documented outbreak in Sonora, but NOT in Baja California.
- CDC has created a US Zika Pregnancy Registry for local, state, and territorial health departments
- To date, none of the invasive Aedes species detected have tested positive for Zika.
- Focus in on education and outreach, case reporting, and prevention of mosquito breeding

2/1/ 2017 through 2/2/ 17	CDPH: Site visit of Ryan White Part B.	HSB - Patrick Loose

**6. Legislation**

**a. Tobacco Leg**

California Healthcare, Research and Prevention Tobacco Tax Act of 2016 (Proposition 56) was passed in November 2016. It raises the state's tobacco tax by \$2 per pack (from \$0.87 to \$2.87) and directs this funding to tobacco prevention, cures and strengthening a health care system strained by tobacco-related disease. In addition to the \$2 per pack tobacco tax on all tobacco products, programs that have received funding via Proposition 99 and Proposition 10 would receive corresponding backfill.

Furthermore, this initiative not only includes electronic cigarettes, but corrects previous definitions, to ensure that all tobacco products (e.g., snus) are captured in the State's Other Tobacco Product (OTP) definition and taxed at a rate equivalent to the cigarette tax. Anticipated increased net state revenue of \$1 billion to \$1.4 billion in 2017-18, with potentially lower annual revenues over time.

**7. HSAB Annual Report – HSAB Chair's Report**

**8. Suggested Future Agenda Items**

- a. Prevention Grant
- b. HIV/AIDS Task Force Recommendations – Getting to Zero
- c. Eat Well Standards

**Submitted by Wilma J. Wooten, M.D., M.P.H., Public Health Officer and Director, January 19, 2017**
