

FOSTER CARE QUALITY IMPROVEMENT PROJECT

January 19, 2016

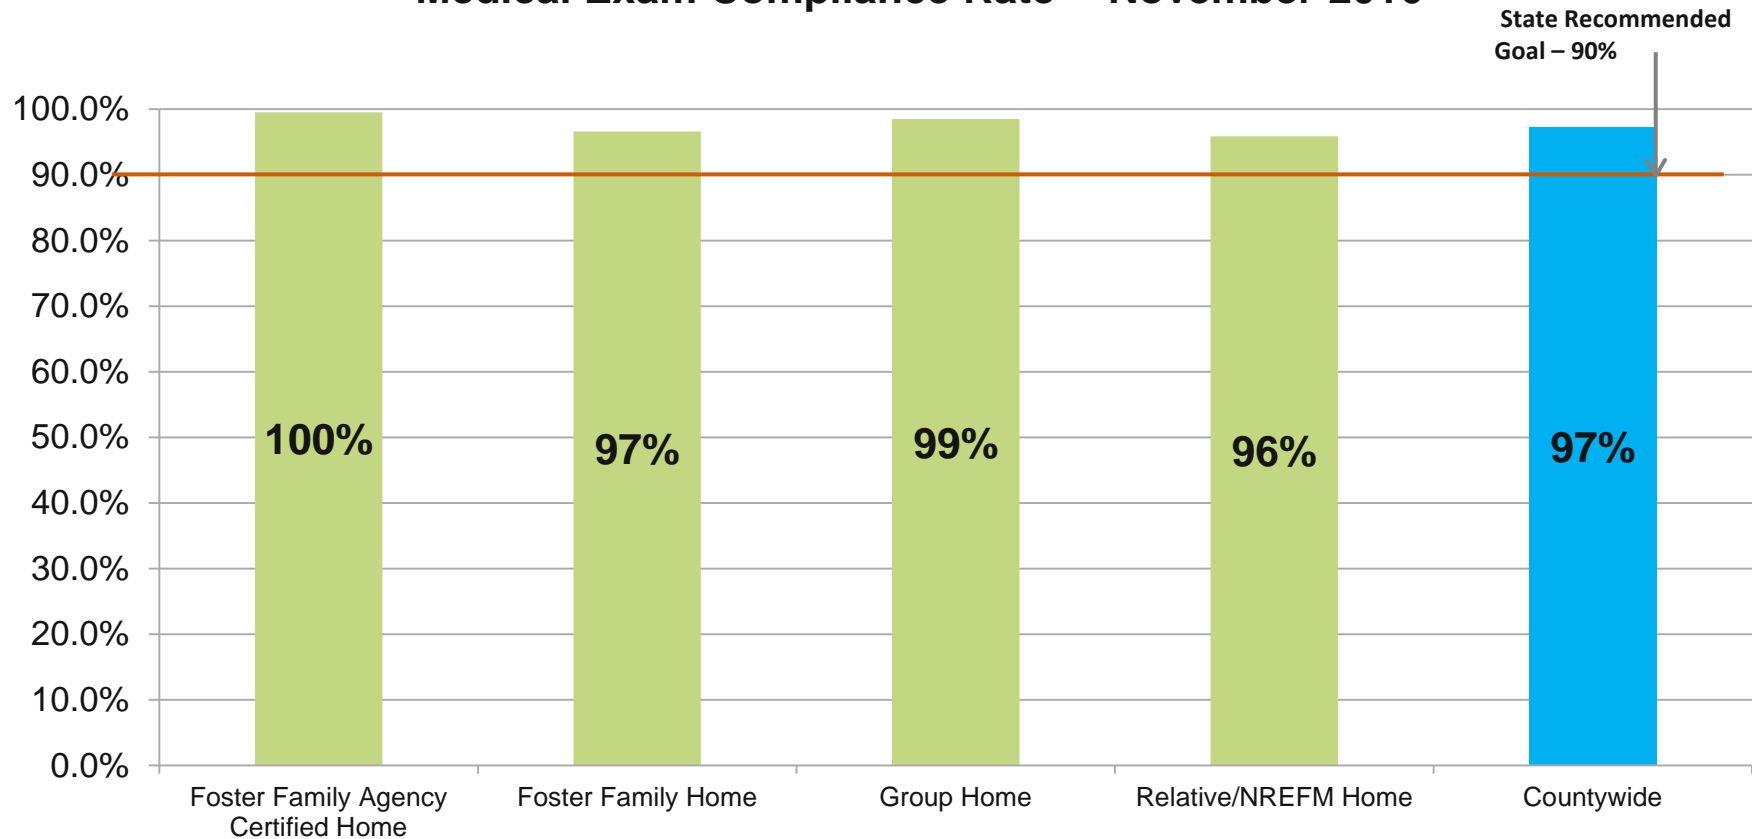

Health Services Advisory Board

COMPLIANCE BY PLACEMENT TYPE

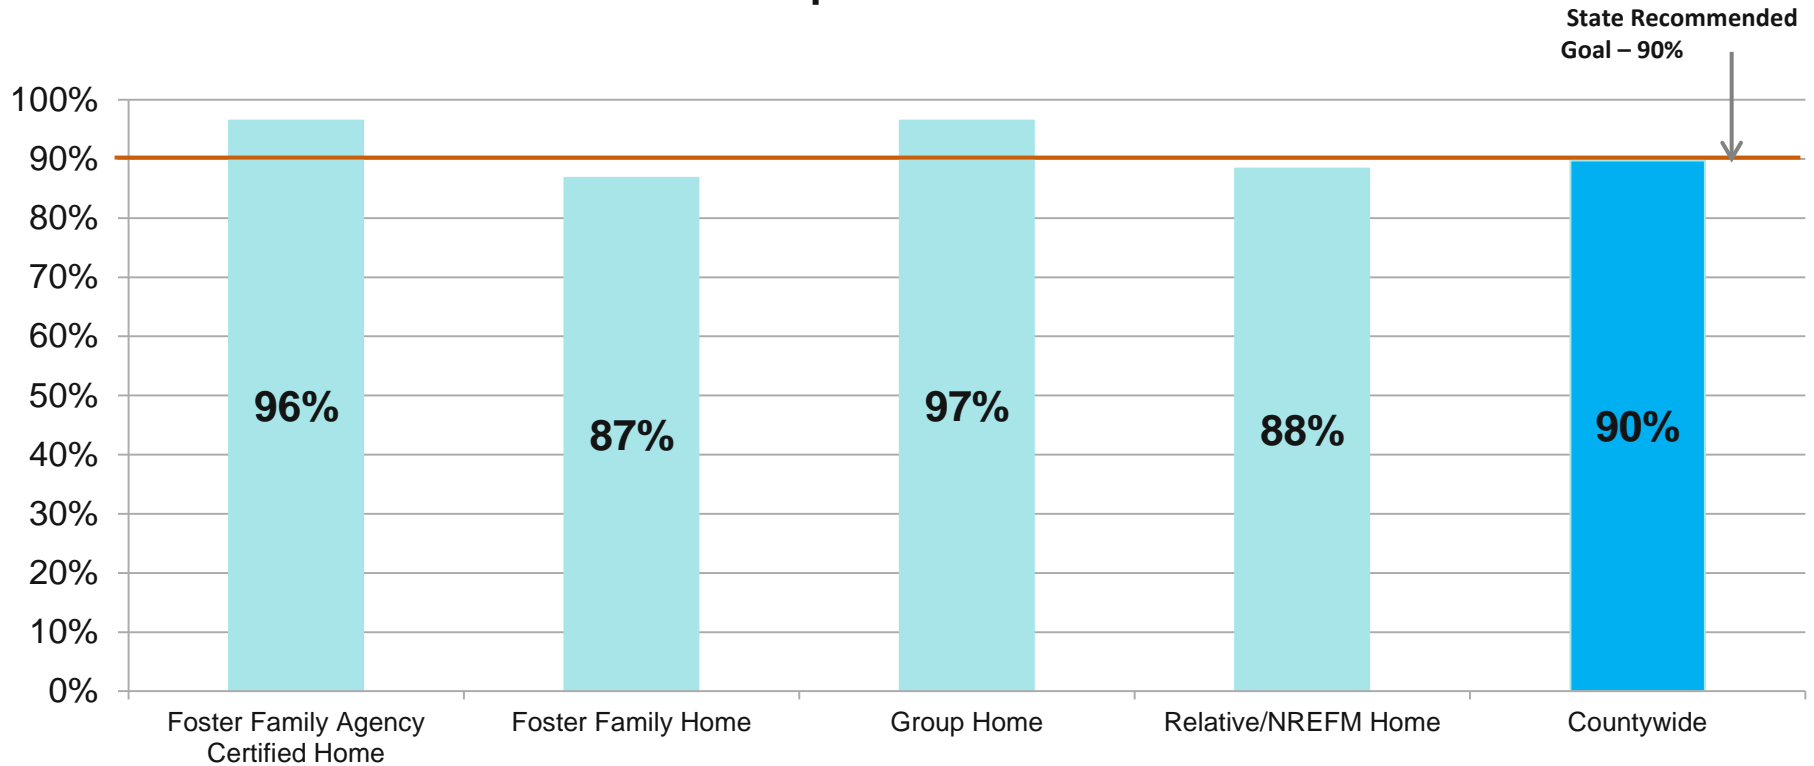

Medical Exam Compliance Rate -- November 2016

COMPLIANCE BY PLACEMENT TYPE

Dental Exam Compliance Rate -- November 2016

Update and standardize practices

Access to Electronic Health Records

- Rady's Children Hospital
- Cerner (currently working with Behavioral Health Services)

Consistent sharing of quarterly reports for timely problem-solving

Increased and improved coordination to support caregivers

- Enhanced access to current medical and dental provider lists
- Routinely obtain input from caregivers
- Use of support staff to provide increased caregiver access of medical/dental information and required forms

NEXT STEPS

- Test “To Be” process and expand to all Regions.
- Refine and standardize process based on tests.
- Evaluate and monitor process and outcome measures (ongoing).
