PARTIAL ASSISTANCE RENTAL SUBSIDY (PARS)

PARS

Increase from 41 to 73 clients

Request authorization to increase funding for PARS by \$200,001, increasing the total contract amount to \$1,200,000.

LIVE WELL
SAN DIEGO

PARS Linkage to Getting to Zero Implementation Plan

- 2.3 Develop systems to ensure all individuals newly diagnosed with HIV are linked to care and commence treatment within 30 days
- 5.9 Refine referral and linkage services to address co-factors that lead to disparate outcomes, such as mental illness, substance abuse, unemployment/underemployment, poverty, lack of insurance, unstable housing, and food scarcity.
