

**Health Services Advisory Board
County of San Diego**

Goals for 2026

- Appointed HSAB members to meet with Supervisor (preferably) and or Health Policy staff/aides.
- Invite a Supervisor to early 2026 HSAB meeting.
- Invite other Supervisors on a quarterly or so basis.
- Develop a one-page information document on HSAB, including what we do, our priorities, etc. – to be provided to health aides in Supervisor offices.
- Health-related Board letters to be distributed to HSAB.
- Finalize Youth Engagement effort.
- Track enrollment in public health programs such as Medi-Cal. Look at the data the County tracks and the related response efforts.
