B. Funding

1. Local Oral Health Program (LOHP):

- The Board of Supervisors letter to authorize amendment changes to the LOHP contract with CDPH was approved on November 19, 2019.
- The 2020 Give Kids a Smile event was held February 22, 2020 from 8:30 AM – 12:00 PM. Seven locations throughout the County offered free dental screenings and sealants and fluoride varnish placement. Over 220 children received services valued at \$52,480.
- The program provided 2000 toothbrush kits to San Diego Unified School District for distribution with meals to families needing assistance due to COVID-19. Kits contained a toothbrush, small toothpaste, toothbrush cover, floss, and a pamphlet on good oral health.

2. Tobacco Control Resource Program (TCRP):

- A Board Letter and recommendations for ordinances banning flavored smoking products, establishing one-year moratorium on electronic smoking devices, and prohibiting smoking in outdoor dining areas were approved on 1/14/20 (1st reading) and 1/28/20 (2nd reading).
- A Board Letter and recommendations for a Tobacco Retail Licensing program will be returned on 4/7/20, along with an amendment to the flavored smoking product ban to include smokeless tobacco products and a hookah exemption review. Due to COVID-19, the Board Letter date is rescheduled to 9/29/20 (1st reading).
- On direction of the Board, TCRP staff are coordinating with HHS and County communications to promote a vaping public awareness campaign.
- Contract amendments with three TCRP regional contractors (Vista Community Clinic, CASA, and SAY San Diego) will fund data collection for the Young Adult Tobacco Purchase Survey in the unincorporated area. The survey was completed in February 2020 and a report is under development.
- A single source contract with the University of California, San Diego will fund expanded data collection for the California School Tobacco Survey in 2019-20. The contract was executed on 4/15/20.
- The TCRP media contractor, Civilian, will implement a targeted public awareness campaign June-September 2020. The purpose of the campaign is to promote tobacco-free priorities, including reducing exposure to secondhand smoke in outdoor dining areas and limiting youth and young adult smoking initiation through tobacco retailer licensure. The campaign will focus on Port of San Diego, Poway, San Marcos, Santee, and the unincorporated area of San Diego County.
- On 7/17/20, the CDPH California Tobacco Control Program announced a 6-month extension of the 2017-2021 Local Lead Agency (LLA) Plans originally scheduled to end on 6/30/21. The extension is for the period 7/1/21-12/31/21. The extension acknowledges concerns from local programs regarding COVID-19 and ensures adequate time to complete the Communities of Excellence (CX) needs assessment with full community member participation that will inform the development of a comprehensive tobacco control plan for the next funding period. TCRP will submit the 6-month extension SOW and budget plan during the LLA Open Revision Period which occurs 9/1/20-10/31/20.

3. EISB Funding:

- On Tuesday, July 21, the County was notified by CDPH of a nearly \$900,000 additional funding amount to support enhanced flu and COVID-19 immunization efforts.
- On August 12, the County was notified by CDPH of \$20,000,000 funding through the CDC Epidemiology & Laboratory Capacity grant funding. These are for this current and next fiscal years.

6. Perinatal Equity Initiative:

- Mental Health America of San Diego was selected as the contractor for the PEI Fatherhood Parenting Program. Services for African-American fathers will begin in August 2020.
- To commemorate Black Breastfeeding week, MCFHS in collaboration with the San Diego County Breastfeeding Coalition hosted a free screening of the documentary film, Chocolate Milk, which promotes breastfeeding in the African-American community, on August 26th.
- The next PEI Community Advisory Board meeting will be held on September 11, 2020 via Microsoft Teams.
- The PEI public awareness campaign developed by Civilian is scheduled to kick-off in October 2020. The campaign will educate the community on how systemic racism negatively impacts African-American maternal and infant mortality.

7. California Home Visiting Program:

- The California Department of Public Health (CDPH) notified local health jurisdictions of the plans for CHVP expansion funding on November 4, 2019. San Diego County is expected to receive \$703,718 in FY 2019-20 to expand current home visiting services utilizing an evidenced-based home visiting model. In addition, CDPH set aside \$5 million dollars, available to counties through a competitive process, for innovative evidence-informed home visiting programs.
- MCFHS received a Notice of Intent for Award Home Visiting State General Fund Expansion Funds from CDPH on January 21, 2020. San Diego County will receive \$703,718 annually for four years beginning July 1, 2019 through June 30, 2023 to expand current home visiting services utilizing Nurse-Family Partnership home visiting model. The Board Letter to accept these funds is slated for April 7, 2020.
- BOS accepted these funds on April 7, 2020. MCFHS is working with First 5 San Diego to expand current home visiting services utilizing Healthy Families America home visiting model.

8. PHS EISB received \$126,000 in grant funds to support specialized respiratory surveillance in sentinel sites. This would allow for sentinel surveillance of COVID-19, Flu, RSV, Parainfluenza virus.

9. San Diego Racial and Ethnic Approaches to Community Health (SD REACH):

- 2-1-1 Scope of Work was added to Eligibility Operations’ 2-1-1 contract that was executed 7/1/19.
