<thead>
<tr>
<th>Program</th>
<th>Services</th>
</tr>
</thead>
<tbody>
<tr>
<td>Services Program</td>
<td>Provides access to health and social services.</td>
</tr>
<tr>
<td>Intensive Case Management Services</td>
<td>Coordinates services for persons living with HIV with a focus on those who are incarcerated or being released from incarceration and includes enrollment and completion of residential substance use disorder treatment.</td>
</tr>
<tr>
<td>STD and HIV Field Services</td>
<td>Investigates newly reported cases of HIV and other Sexually Transmitted Diseases (STDs) to ensure people are linked to treatment and that patients are identified and notified of their potential exposure.</td>
</tr>
<tr>
<td>STD Clinic</td>
<td>Provides testing, diagnosis, treatment for STDs, vaccines, and also provides HIV testing and linkage to non-occupational post-exposure prophylaxis (PEP) and pre-exposure prophylaxis (PrEP).</td>
</tr>
<tr>
<td>STD Epidemiology</td>
<td>Oversees reporting of STD incidence in the County and provides numerous reports throughout the year regarding communities and populations that are disproportionately impacted.</td>
</tr>
<tr>
<td>STD Prevention</td>
<td>Provides technical assistance to schools and youth-serving organizations about selecting and incorporating sexual health curricula. Operates STD testing in juvenile detention facilities.</td>
</tr>
<tr>
<td>Maternal, Child, and Family Health Services Branch</td>
<td>Works to promote health and to protect and support pregnant women, children, and families.</td>
</tr>
<tr>
<td>Black Infant Health</td>
<td>Helps pregnant and parenting African-American women and their families access health and social services.</td>
</tr>
<tr>
<td>CaFresh Healthy Living</td>
<td>Provides nutrition education and implements equitable policy, systems, and environmental change strategies for obesity prevention where people live, learn, shop, and play to support healthy, active, and nourished lifestyles.</td>
</tr>
<tr>
<td>Child Health and Disability Prevention (CHDP)</td>
<td>Provides no-cost, well-child health assessments for children to prevent or identify health problems early and follow-up to treatment.</td>
</tr>
<tr>
<td>Chronic Disease and Health Equity</td>
<td>Promotes wellness and prevention of illness, disability, and premature death from chronic disease by increasing health equity.</td>
</tr>
<tr>
<td>Comprehensive Perinatal Services Program</td>
<td>Provides medical, nutritional, perinatal education and psychological support to pregnant women.</td>
</tr>
<tr>
<td>Oral Health Program</td>
<td>Provides dental education to families, trains professionals, facilitates dental screenings and dental sealants/flouride varnish treatments, and conducts referrals for urgent dental care for K-12 students.</td>
</tr>
<tr>
<td>Fetal and Infant Mortality Review</td>
<td>Attempts to reduce fetal and infant deaths by identifying and implementing interventions to rectify social problems and health care issues systems.</td>
</tr>
<tr>
<td>Health Care Program for Children in Foster Care</td>
<td>Works to ensure that children in foster care receive preventive health and dental exams and follow-up of identified health issues.</td>
</tr>
<tr>
<td>Office of Violence Prevention</td>
<td>Promotes healthy individuals and families by designing and developing violence prevention programs.</td>
</tr>
<tr>
<td>Perinatal Care Network</td>
<td>Provides health care resources and referrals for pregnant women and women of childbearing age.</td>
</tr>
<tr>
<td>Perinatal Equity Initiative</td>
<td>Increases awareness and education on the impact of systemic racism and discrimination on maternal and infant health in African Americans.</td>
