

Rosecrans Clinic Services:

Tuberculin Skin Test (not given on Thursdays):

Monday, Tuesday, Wednesday, and Friday 7:30 - 11:30a.m. & 1:00 - 4:00p.m.

The TST is placed and must be read by a clinician 2-3 days later.

Chest X-Rays:

Appointments are recommended.

Please call (619) 692-5565.

Monday - Friday 8:00 - 11:30a.m. & 1:00 - 4:00p.m.

*Chest x-rays are done when medically indicated for persons who provide **documentation** of a positive TB skin test, including millimeter reading.*

Induced Sputum:

Induced sputums for TB can be arranged by appointment only. Physicians (or their staff) should call (619) 692-5565 to make the referral and appointment for their patients.

Treatment of Latent TB Infection (LTBI):

Please call (619) 692-5565 to schedule an appointment.

Fees for Services:

Fees for services can be obtained by contacting the clinic at the number above.

For more information send us an [email](#) or phone (619) 692-5565.
