- The stakeholder meetings continue in order to gather input regarding future program changes. The next LIHP Stakeholder meeting is scheduled for 2/21/13.
- To date, San Diego has received 469 referrals from the California Department of Health Care Services for State prisoners who are eligible for LIHP.
- Health Care Policy Administration (HCPA) conducted a mid-November evaluation on the AuthMed Access Pilot implemented August 16, 2012 and discussed outcomes with the Executive Team. The pilot will continue until further analysis on expanding AuthMed access is completed. The AuthMed Data Usage Agreement with pilot clinics will be extended for an additional year. HCPA continues to host monthly conference calls to discuss any referral and program issues, and share information.
- California Department of Health Care Services' (DHCS) final policy regarding LIHP coverage for State prisoners and local inmates has been received. Sheriff Department and Agency staff are working to document the work process. The Memorandum of Understanding is pending finalization of the work flow process. Implementation is targeted for March 1, 2013.
- California Department of Health Care Services' (DHCS) Initial Transition Plan for LIHP has been received. DHCS has created a LIHP Transition Planning Workgroup that includes San Diego representation.
