

Policy Advisors for the Board of Supervisors

DISTRICT 1 - Priorities

- 1) Getting people access to coverage through the Affordable Care Act (MediCal expansion or Covered California).
- 2) Continue our ongoing prevention and education efforts to curb obesity and type 2 diabetes amongst our youth (BMI toolkit, 5210 campaign, 3-4-50 campaign)
- 3) Continue focus on all recommended vaccinations for all persons living in the border region (as we get more folks enrolled into health coverage, we need to make sure those who do not/cannot enroll continue to receive primary prevention through vaccinations.

DISTRICT 2 – Priorities

- 1) The impacts of the Affordable Care Act on County of San Diego residents and the cost to taxpayers.
- 2) Access to affordable, quality healthcare for residents.
