# Waiver of the Ryan White HIV/AIDS Program Core Medical Services Expenditure Requirement

Policy Notice 21-01(Revised 10/01/24) Replaces Policy Number 13-07

### Scope of Coverage

Health Resources and Services Administration (HRSA) HIV/AIDS Bureau (HAB) Ryan White HIV/AIDS Program (RWHAP) Parts A, B, and C.

### **Purpose of Policy Notice**

This HRSA HAB Policy Notice (PN) provides the processes and requirements for HRSA RWHAP Parts A, B, and C recipients to request waivers of the statutory requirement regarding expenditure amounts for core medical services.

The revised PN describes a new requirement included on the RWHAP Core Medical Services Waiver Attestation Form. It also includes various editorial changes to respond to stakeholder feedback regarding clarity. The revised policy is effective beginning on October 1, 2024.

### Background

Recipients must spend at least 75 percent of grant funds on core medical services. See Title XXVI of the Public Health Service Act (the RWHAP legislation, Part A section 2604(c), Part B section 2612(b), and Part C section 2651(c)). Grant funds include Minority AIDS Initiative (MAI) funding but exclude the amounts allowable by statute for administrative and clinical quality management (CQM) costs. The Secretary can waive this requirement for a recipient if: 1) there are no waiting lists for the AIDS Drug Assistance Program (ADAP), and 2) core medical services are available and accessible to all HRSA RWHAP eligible individuals in the recipient's service area. Approved RWHAP Part A, Part B, and Part C core medical services waivers are effective for one budget period of a grant award, which is one year.

### Requirements

A HRSA RWHAP Part A, B, or C recipient must meet the following requirements:

- 1. Core medical services must be available and accessible within 30 days to all HRSA RWHAP eligible individuals identified in the recipient's service area. Core medical services must be available and accessible, regardless of the payment source. The recipient may use existing, non-RWHAP resources in the service area to ensure availability and access to core medical services.
- 2. There must be no ADAP waiting lists in the recipient's service area.
- 3. There must be a public process to obtain input on the waiver request. This public process must seek input from impacted communities on the availability of core medical services and the decision to request the waiver. Impacted communities include clients and RWHAP-funded core medical services providers. You may use the same method to seek input on community needs as part of the annual priority setting and resource allocation, comprehensive planning, statewide coordinated statement of need, public planning, and/or needs assessment processes.

### **Example of Applying the Requirement**

If a RWHAP eligible individual needs outpatient ambulatory health services, which is a core medical service, an appointment to see a provider must be available within 30 days within the recipient's service area, regardless of how that service is funded. If all core medical services are not similarly accessible and available, or if there is an ADAP waiting list, you do not qualify for a waiver.

### Requesting a Waiver

To request a waiver, the Chief Elected Official, Chief Executive Officer, or a designee of either must complete and submit the HRSA RWHAP Core Medical Services Waiver Request Attestation Form (attached below on page 4) to HRSA HAB as specified by the deadlines and methods described below.

The form must specify the percentages of HIV service dollars, including MAI funds, the recipient proposes to allocate to core medical and support services, if the waiver is approved. Signature indicates attestations for eligibility and the requirement of documentation upon request.

No other documentation is required to be submitted with the HRSA RWHAP Core Medical Services Waiver Request Attestation Form.

### **Submitting Waiver Requests**

HRSA RWHAP Part A and RWHAP Part C waiver requests must be submitted as an attachment with the grant application or the mandatory non-competing continuation (NCC) progress report. Waiver requests do not count towards grant application or NCC progress report page limits.

HRSA RWHAP Part B recipients may submit a waiver request prior to the submission of a grant application, with the grant application or NCC progress report as an attachment or up to four months after the start of the budget period for which the waiver is requested.

HRSA RWHAP Part B recipients may request a waiver for the HIV Care Formula award, or the Ryan White Part B Supplemental award, or both. Recipients must request each waiver separately.

### Methods for Submitting Waiver Requests

Waiver requests submitted with grant applications must be submitted through www.grants.gov. Waiver requests submitted with the mandatory NCC progress report must be submitted through the Electronic Handbooks (EHBs).

Part B recipients planning to request a waiver before or after the submission of a grant application or NCC progress report must notify their HRSA HAB project officer (PO) who will send a Request for Information (RFI) through the EHBs.

### Waiver Review and Notification Process

HRSA HAB will review waiver requests and notify recipients of its approval or denial within four weeks of receipt of the request.

Approved core medical services waivers are only effective for one budget period. Approved waivers are not required to be implemented, should circumstances change. Recipients must submit a new request(s) each budget period.

Public Burden Statement: HRSA uses the documentation submitted in core medical services waiver requests to determine if the applicant/grant recipient meets the statutory requirements forwaiver eligibility including: (1) No waiting lists for AIDS Drug Assistance Program (ADAP) services; and (2) evidence of core medical services availability within the grant recipient's jurisdiction, state, or service area to all people with HIV identified and eligible under Title XXVI of the PHS Act. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0906-0065 and it is valid until 08/31/2027. This information collection is required to obtain or retain a benefit (Ryan White HIV/AIDS Treatment Extension Act of 2009, Pat A section 2604(c), Part B section 2612(b), and Part C section 2651(c)). Data will be kept private to the extentrequired by law. Public reporting burden for this collection of information is estimated to average 0.49 hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Information Collection Clearance Officer, 5600 Fishers Lane, Room 14N39, Rockville, Matyland, 20857 or paperwork@hrsa.gov. ### ASSEMBLY BILL (AB) 2449: JUST CAUSE AND EMERGENCY CIRCUMSTANCES (2023)

If the physical attendance quorum requirement is met, AB 2449 permits a member who is not physically present to request virtual attendance at the local legislative body's meeting under two circumstances: (1) for "just cause" and (2) due to "emergency circumstances".

Qualifying Reason	Provisions to attend remotely	Requirements/Limitations
Just Cause	<ul> <li>There is a childcare or caregiving need (for a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner) that requires the member to participate remotely</li> <li>A contagious illness prevents the member from attending the meeting in</li> <li>There is a need related to a defined physical or mental disability that is not otherwise accommodated for</li> <li>Traveling while on official business of the legislative body or another state or local agency</li> </ul>	A member is limited to <b>two (2)</b> virtual attendances based on "just cause" per calendar year
Emergency Circumstances	"A physical or family medical emergency that prevents a member from attending the meeting in person."  A member is not required to disclose any medical diagnosis or disability, or any personal medical information that is already exempt from existing law.	A member of the legislative body must make a request to the body to allow the member to meet remotely due to an emergency circumstance, and further must provide a general description of the circumstance justifying such attendance.  A request from a member to attend remotely due to an emergency circumstance requires that the legislative body take action and approve the remote attendance at the start of the meeting for the member to be allowed to participate remotely for that meeting*.

<sup>\*</sup>If the request does not allow sufficient time to be placed on the agenda as a proposed action item, then the legislative body may take action at the beginning of the meeting.

### **ADDITIONAL REQUIREMENTS FOR A MEMBER PARTICIPATING REMOTELY:**

In addition to making a request either for "just cause" or due to an "emergency circumstance" for remote appearance, AB 2449 imposes the following three (3) additional requirements on legislative body members seeking to appear remotely at public meetings:

- 1. Before any action is taken during the meeting, the member <u>must</u> publicly disclose whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any such individuals.
- 2. A member of the legislative body participating from a remote location must participate through both audio **and** visual technology.
- 3. A member's remote participation cannot be for more than three (3) consecutive months or 20 percent of the regular meetings for the local agency within a calendar year. And if the legislative body regularly meets fewer than ten (10) times per calendar year, a member's participation from a remote location cannot be for more than two meetings.
