Mission Statement

The San Diego County HIV CARE Partnership is a collaboration of consumers, providers and community members that empowers consumers, shares resources, educates the community, advocates for public policy and plans services for women, children, youth and families living with and affected by HIV/AIDS.

Meetings are open to the public

Board of Supervisors meetings to protect the public's health and prevent the disease from spreading locally. California Governor Gavin Newsom issued Executive Order N-29-20 on March 17, 2020, relating to the convening of public meetings in response to the COVID-19 pandemic. Pursuant to the Executive Order, and to maintain the orderly conduct of the meeting, the County of San Diego will allow the HIV Planning Group members to attend the meeting via teleconference or phone conference and to participate in the meeting to the same extent as if they were present.

For any questions about the CARE Partnership, please call
Shannon Ransom 858-534-9202 sransom@health.ucsd.edu
