

The work of OEQc is rooted in the idea that a prosperous economic future requires finding new ways to connect the disconnected to greater economic opportunities, as well as working to improve physical and social environments that allow them to thrive. OEQc consists of three teams – CAP, Community Health and Engagement Team, and Regional Community Coordinators.

## HHSA Strategic Plan

HHSA has identified six Agency Strategic Initiatives that drive long-term performance excellence and focus efforts on goals to deliver increasing value to the people served.

## Community Action Partnership Strategic Plan:

**Vision:** Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.

**Mission:** To create a sustainable, resilient, and equitable community that empowers the economically underserved to thrive.
