

County Medical Services (CMS)

County Medical Services is managed by the County of San Diego Health and Human Services Agency and it helps uninsured adult County residents get medical care. While CMS helps people get medical care, it is not a health insurance program like Medi-Cal.

YOU CAN BE ELIGIBLE FOR CMS IF YOU:

- Are a U.S. citizen or an eligible resident alien
- Are a resident of San Diego County
- Are 21 through 64 years of age
- Meet CMS financial requirements* or receive General Relief

* Some CMS eligible individuals may have a monthly Share of Cost for this coverage.

CMS COVERS MEDICAL SERVICES FOR MOST HEALTH PROBLEMS.

MEDICAL SERVICES NEVER COVERED BY CMS:

- Routine physical examinations and preventive care
- Routine dental and vision care
- Pregnancy/family planning/infertility services
- Organ, limb, and bone marrow transplants and related services
- Visits to the emergency room for follow-up and prescription refills
- Treatment of mental health, alcohol and drug problems (see phone numbers for appropriate County services)
- Prescriptions not approved by the Food & Drug Administration (FDA)
- Clinical trials. This includes any medications, treatments, procedures, or professional components related to any clinical trial in which the CMS patient may be involved.

ACCESS TO MEDICAL CARE
