

# Provider Online Verification

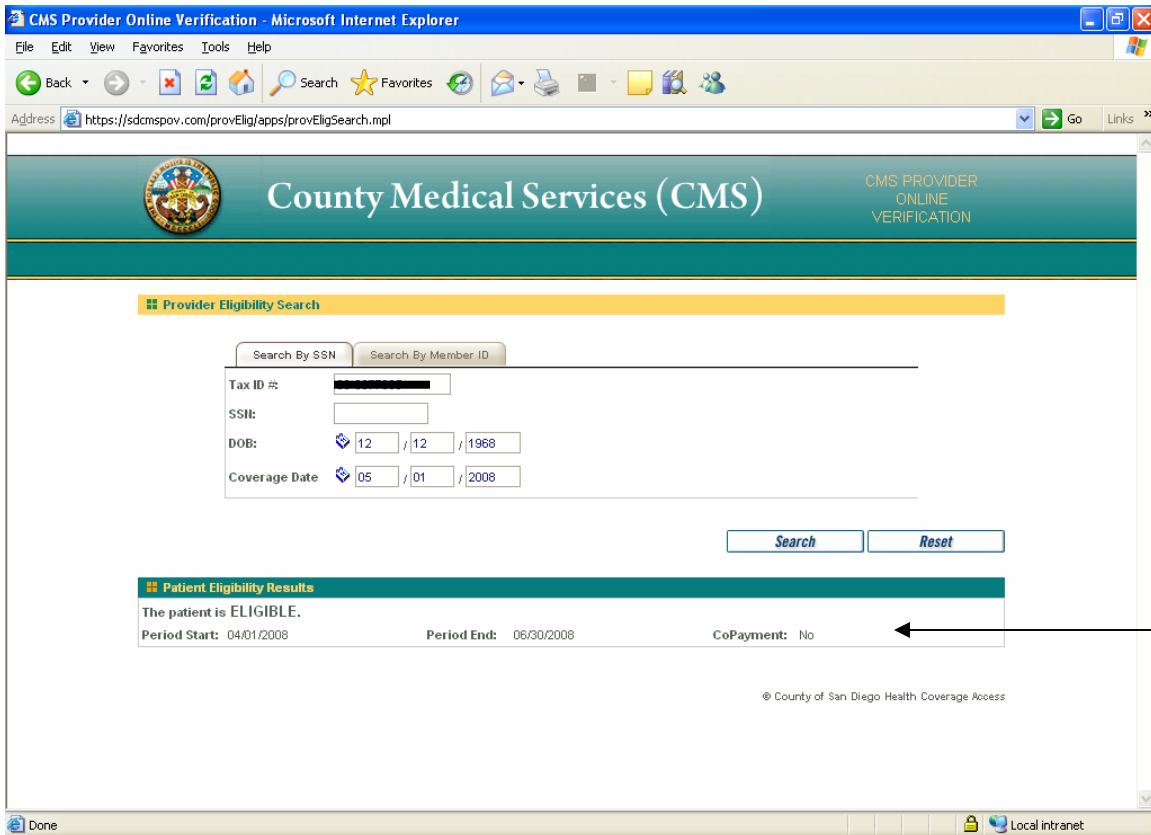

The provider online verification website is a site for physicians, case managers and other providers in the hospital/clinic organization that are inquiring about the CMS certification status of a patient. The query will inform you of the eligibility status and the certification period for the patient.

<https://www.sdcmspov.com>

To verify patient's coverage status:

1. Enter institutional tax ID number
2. Enter either patient's SSN OR Member ID (click on appropriate tab)
3. Enter patients date of birth (DOB)
4. Enter today's date for current coverage information

The screenshot shows a web browser window titled "CMS Provider Online Verification - Windows Internet Explorer". The address bar contains the URL "https://www.sdcmspov.com/provElig/apps/provEligSearch.mpl#". The browser's search bar is set to "mywebsearch" with "Google" as the search engine. The page header features the County of San Diego seal and the text "County Medical Services (CMS)" and "CMS PROVIDER ONLINE VERIFICATION". Below the header is a yellow bar labeled "Provider Eligibility Search". The search form includes two tabs: "Search By SSN" and "Search By Member ID". The form fields are: "Tax ID #:" with a text input; "Member ID:" with a text input; "DOB:" with three dropdown menus for month, day, and year; and "Coverage Date" with three dropdown menus for month, day, and year. Below the form are "Search" and "Reset" buttons. A green bar at the bottom of the form area is labeled "Patient Eligibility Results". The footer of the page reads "© County of San Diego Health Coverage Access". The browser's status bar shows "Done" and "Local intranet". The Windows taskbar at the bottom shows the Start button, several application icons, and the system clock displaying "11:08 AM".

This shows an Eligible Patient.

If you enter the Patient Information incorrect or not known to CMS you will get this message
