## Will I get extra CalFresh benefits?

If you got CalFresh during the COVID-19 pandemic crisis and are not already getting the maximum for your household size, you will get extra benefits up to the maximum. For example:

» If you are a 3-person household and you are currently getting \$200 per month, you will get an extra benefit of \$309, because \$509 is the maximum benefit for a household of 3.

» If you are a household of 2 currently getting \$355 per month, you will not get an extra benefit because you already get the maximum.

## When can I use the extra CalFresh?

» Text messages and Robocalls will be made alerting you to when the benefits will be available.

## Will I need to turn in paperwork or apply to get the extra CalFresh?

No. You don't need to fill out extra paperwork. The extra CalFresh will be added to your EBT card and you'll be able to use it just like regular CalFresh.
