

# Health Link **NORTH COUNTY**

HealthLink North County is a school-health and wellness collaborative which has worked to improve health and education outcomes for North San Diego County's school children for over 15 years. Join to learn more about the latest school wellness topics, network with community partners and gain access to resources and upcoming events!

## GET INVOLVED:

- ➔ Attend bi-monthly meetings
- ➔ Sign up for our email list to receive school wellness information
- ➔ Attend a special event
